November 26, 1921

To the Electors of Leeds:

Ladies and Gentlemen,—

On December 6th you will be faced with the discharge of a patriotic duty in the casting of your ballots for one of the Candidates at the most important Federal Election in the History of Canada.

Much will depend upon the capacity of the members of the 14th Parliament, and I ask that you give the situation a serious consideration. It has been my earnest desire to meet all classes of our citizens but I have found it impossible to make a personal canvass of all of this very large constituency and I ask you to treat this as a personal request for your vote and influence. If elected, I shall to the best of my ability, strive to promote the welfare of Canada, to strengthen the bonds of unity within the British Empire and to advance the interests of all the residents of this County.

Yours sincerely

H. A. STEWART
