NEW DYNAMO NOW INSTALLED

Ald. Edmondson and Engineer Jones Delighted with the City's Bargain.

Great Saving of Coal will be Experienced—Percentage of Efficiency Much Higher.

The City Engineer's face was beaming this morning.

"Well," he declared heartily to The Planet, "we installed the new dynamo last night and it's a magnificent one and no mistake—one of the finest dynamo I ever saw. It runs like clock-work and so easily. It is a conservative estimate that it will save over ten per cent. on the coal over the old dynamo, in addition to much more increased efficiency. It tests over 80 per cent., while the other machine wouldn't go 60 per cent."

"I tell you," added Mr. Jones, "it would pay this city to buy one of these dynamo a year until they secured the full complement of three. It will not pay to fix up the old machines. It will cost at least \$250 to rewind each of them, not to mention other repairs, and when you consider the better light and the saving on coal you will see the force of my suggestion."

The new dynamo was purchased from the Chatham Electrical Company, Messrs. McKeough & Trotter & Jones, and is without doubt the finest ever installed in this district.

"When there are any lights out now I want the matter to be reported to me at once," remarked Ald. John Edmondson this morning. "Then I'll investigate and find out the reason. The new dynamo has been installed and was in use on the King St. circuit last night. The citizens have done their duty by buying a good dynamo and I intend to do mine by seeing that they get the light they want. I was talking to Electrician Albert Trott this morning and he says that in all his experience he has never seen a dynamo that would work as easily as the City's new dynamo. The City Engineer also told me that it doesn't require near the power to run it that the old dynamo did, and the fuel saved would pay the interest on the money."

DUNN & MERRITT,
Fifth St., Phone 215.

TO PLAY IT OFF

A meeting of the Tecumseh lacrosse club was held last evening in the Rankin House with about 20 present. Everyone who attended was enthusiastic over the prospects for playing off the intermediate championship game with Orillia in Galt, and steps were taken to arrange the club's finances so that the game may be played. A subscription list was drawn up and is now being circulated, and it is hoped that the citizens will respond liberally to the call.

Manager Frank Babcock feels confident that the Tecumsehs will win the game. The full team will not be on as there are a couple of changes in the line-up, and if Orillia wins it will be because they are fairly entitled to it, but the Tecumsehs will be in the game from the start to the finish. They are all in good shape and a record game may be looked for. Galt is indeed fortunate in securing it.

A special train will be run from Chatham with special rates, and it is expected that a very large crowd of rooters will go from Chatham.

Minard's Liniment Cures Diphtheria.
