This Society held their annual Spring thow on Deminion Day, in the Drill Shed. there was a very fine show of plants, and we do not recollect any year in which the oliage and flowers were so luyuriant. In window plants there was a splendid display, Measure. Tansley, Mann and Fairley being the largest exhibitors. Gilchrist Bros. and Mr. N. Sanley had also fine specimens. Mr. Geo. Sleeman had some of the finest bleams we ever asw. Among cut flowers, the roses shown by Mr. Stone were greatly admired. Among the bouquets Mrs. Mann was, as asual, most successful, and Mrs. Sorby. Mrs. Gilchrist and Mr. J. Woodhouse showed very fine specimens. For particulars we refer our readers to the prize list.

Among the fruits strawberries were foremost. Measrs. Ainley, Sunley, Birnie and Sorby were prominent exhibitors. In other fruits, the show was excellent. Vegetables were better than in former years. The postocs of Measrs. Sorby Bros., and the cucumbers of Mr. George Sleeman were something extra. Peas, beans, lettuce and onions were also first-class. On the whole, the show was far superior to last year's one, and was very creditable to our town and country exhibitors.
