## PAINS SO BAD STAYED IN BED

Young Mrs. Becroft Had  
Miserable Time Until She  
Took Lydia E. Pinkham's  
Vegetable Compound.

Hamilton, Ont.—"I have suffered for  
three years from a female trouble and  
consequent weakness, pain and irregu-  
larity which kept me in bed four or five  
days each month. I nearly went crazy  
at a time I could not get up. I saw  
Lydia E. Pinkham's Vegetable  
Compound advertised in the Hamilton  
Specialist and I took it. Now I have no  
pain and am quite regular unless I over-  
work or stay up all night. I keep  
morning until late at night. I keep  
house and do all my own work without  
any trouble. I have recommended this  
Compound to several friends."—Mrs.  
Emily Becroft, 269 Victoria Ave. N.,  
Hamilton, Ontario.  
For forty years women have been  
telling how Lydia E. Pinkham's Vegeta-  
ble Compound has restored their  
health when suffering with female ills.  
This accounts for the enormous demand  
for it from coast to coast. If you are  
troubled with any ailment peculiar to  
women why don't you try Lydia E.  
Pinkham's Vegetable Compound? It is  
made from native roots and herbs and  
contains no narcotics or harmful drugs.  
For special advice women are asked to  
write the Lydia E. Pinkham Medicine  
Co., Lynn, Mass. The result of forty  
years experience is at your service.

## BUYING CATTLE FOR AROOSTOOK

Sydney Giberson, a former Bath  
man, now carrying on a lucrative meat  
and provision business at Limestone,  
Me., was a business visitor in Hart-  
land yesterday. He stated in conver-  
sation that business in northern Maine  
was very quiet and money very scarce.

Potatoes were looking better the last  
few days and a stiffer situation in  
Boston had boosted the price up to  
\$2.10. Mr. Giberson has an assistant  
with him and will spend some time in  
the county buying cattle to be sent  
north and slaughtered for his own  
market.

J. M. McLeod & Sons have kept  
their staff bustling these late weeks,  
particular attention being given to  
poultry and beef cattle. During  
Thanksgiving (American) week these  
people shipped over 1500 head of poul-  
try. Their drovers have been bring-  
ing in bunches of cattle from the out-  
lying sections and a carload shipped

At this time, a friend advised me

this fruit medicine made me completely
