

# JEALOUS WOMAN KILLS HER HUSBAND.

## Shot Him While Asleep and Then Attempted to Take Her Own Life.

### Mrs. Bradley Tells the Judge and Jury How She Shot Senator Brown.

New York, Nov. 20.—Half crazed by jealousy because of her husband's attentions to another woman, Mrs. Lottie Hitchcock shot and instantly killed her husband, Robert L. Hitchcock, as he lay sleeping in bed in their home in the borough of the Bronx, early to-day. Then turning the revolver upon herself, Mrs. Hitchcock inflicted several wounds on her head and breast from which she is expected to die.

Hitchcock was a compositor on a New York newspaper. The man and woman were married about a year ago and had an apartment in 18th street. Late in the evening they had frequent quarrels and Mrs. Hitchcock has repeatedly complained to her neighbors that her husband has been spending his evenings with another woman when not at work.

#### THE BROWN MURDER.

Mrs. Bradley Tells of the Final Tragedy When She Shot Brown.

Washington, Nov. 20.—The climax of the Bradley trial was reached to-day when Mrs. Bradley, testifying in her own behalf, related the particulars of her final interview with former Senator Brown in the Raleigh Hotel, in this city last December, and gave all the details she could remember of the shooting which followed. She was prompt, as usual, in entering the court room and if any one had believed that yesterday's ordeal would render her unfit to proceed with her narrative it must soon have become evident to such a person that he had not taken into sufficient account the reserve power of the woman.

She had yesterday related practically all of the details of her life with Senator Brown during their intimacy of nine years, and it was understood generally that after a few preliminary statements concerning the time preceding the entrance of both parties to the tragedy in Washington, she would be led up to that affair and asked as the only possible witness to tell the story.

"We shall be brief," said Judge Powers, the Salt Lake Attorney, "in dealing with this phase of the case. It will not take Mrs. Bradley long to give us all she remembers of it."

District Attorney Baker thought the cross-examination would consume about three hours time, so that it was apparent from the beginning of the day that the entire sitting would be consumed by Mrs. Bradley.

The court room was again crowded. Judge Stafford had no sooner taken his seat than Mrs. Bradley resumed her place in the witness chair. She was first asked to identify a number of letters written her at different times by Senator Brown, and did so. They covered the time from 1901 to 1906, and were presented for the purpose of showing the relation between Mrs. Bradley and Mr. Brown, but no effort was made to read them as they were introduced.

P. D. CRERAR, K. C., Newly elected President of the Liberal Association of Hamilton.

## DIRECT APPEAL OPENED THE BALLOT BOX.

### In the Collins and Perkins Gas Explosion Cases.

Before Chief Justice Moss at Osgoode Hall yesterday an important motion was made in Collins and Perkins vs. the T. H. & B. Railway Company and the Dominion Natural Gas Company. At the last Assizes here Mrs. Collins obtained a verdict for \$7,000 and Mrs. Perkins \$2,000 for herself and \$500 for each of two children against the two companies, for personal injuries to Mr. Collins and the death of Mr. Perkins, respectively. Both companies are appealing. The railway company had already given notice of appeal to the Divisional Court. Yesterday Mr. G. M. Clark, for the Dominion Natural Gas Company, moved for leave to appeal direct to the Court of Appeal. Mr. C. J. Holmes, for the railway company, agreed to allow the Railway Company's appeal to take the same course. Mr. D'Arcy Martin represented Mrs. Perkins and Mr. J. G. Farmer appeared for Mr. Collins, and consented to the change, so that the two appeals will go direct to the Court of Appeal.

Cars and an Engine Damaged at the Y To-day.

The two trains that figured in it were freights and several of the cars and one engine were badly damaged. No one was seriously hurt, but the tracks were blocked for several hours. The trains to and from Toronto this morning used the Beach spur. The line was reopened about noon.

One Man Killed and Another Loses a Foot on the Rail.

Buffalo, Nov. 20.—John Ward and Hugh Dugan, while stealing a ride to their home in Wilkesbarre, Pa., on a Lehigh Valley freight train, last night fell from the train just beyond the depot. Ward was ground to pieces under the wheels, and Dugan's left foot was so badly crushed that it will have to be amputated.

The men were found by the engineer of a train following. Dugan was brought to a hospital here.

## The Man In Overalls

It was unanimous for P. D. Yes. That was a fine meeting. Everybody pleased and everybody ready.

Lots of coming men, but no has been in the Liberal party.

You should have heard the cheers for the new President.

Well, Mr. Chisholm deserves a little rest.

Providence was kind. It didn't rain last night.

I am growing tired waiting for the Nelligan investigation. What's the hitch?

Mr. Bougard, the Spectator's French friend, is now somewhat of a hero.

No, Maude. They are not widow's weeds.

Everything has its use. The bagpipes are useful for scaring wolves. They also scare the enemy.

I don't think the Herald has any particular right to speak for "decent" Liberals or any other kind, if there are any other kind. What annoys it is that the Liberals now know where it is at.

It would be great if the Times were muzzled. Then the Herald could hustle for Whitney and his alleged "promise."

And "those public spirited Hamilton citizens" kept every Grit off the deputation, kept Mr. Studholme off and put Mr. Scott on, who holds no official position whatever. Why? The people are not fools—neither are they blind.

The Farrar organ is a sort of cross between a phonograph and a megaphone. That's how it keeps up such a racket. The annex editorial room on the Market Square is a busy place.

There are still twenty-five dark spots in the city, and thus the police are unable to spot the law-breakers as they would wish.

Can't the Conciliation Committee do something for the barbers?

There is little change perceptible in the financial stringency. It seems to be as hard as ever to borrow a quarter.

Perhaps the Y. M. C. A. or the Ministerial Association would like to send a diver to the bottom of the basins to see how rank it is.

Pritchett learned the ballot-switching trick from the Tory thumb nail men up in Manitoba—the men who were sent up by the Toronto Tory managers to steal the elections.

Has the wave of crime receded?

We had no sucker nonsense under the ward system.

Well, now what did Whitney promise?

The Board of Works, which hasn't a cent to its name, threatens to spend hundreds of thousands of dollars next year.

And I thought Ald. Farrar said he was to retire at the end of his term.

I don't hear of anybody who is going to vote against Sealey.

Didn't Mr. Barker have some dealings with this man Pritchett?

Up to the time of going to press the Citizens' League had not filed an application for permission to rake the basins in search of weeds.

## PAINFUL ACCIDENT.

Little Walter Bruce Had His Arm Broken Yesterday.

Little Walter Bruce, the five-year-old son of Major Walter Bruce, met with a rather bad accident yesterday. He and some more boys were playing near his home, and the other boys, who were a little older, were tossing him into a big pile of leaves. He was enjoying the fun as much as the others, but none of them knew that a stone was lying under their feet of leaves. Coming down on the stone, Walter sustained a bad fracture of the right arm, just at the elbow. It will be quite a long time before he thoroughly recovers.

## MAY LEAVE IN JUNE.

Mr. Geo. Robertson Retiring From First Choir.

Mr. Wilfrid Oaten will begin his duties as organist and choir leader of First Methodist Church the first Sunday in January. There will be no other changes in the choir and the splendid quartette will be the same—Miss Longhurst, Miss Rowsome, Mr. Hamilton Robinson and Mr. Geo. Robertson—for the present. The last mentioned, who has been absent for a good many years, some time ago expressed his desire to withdraw, but has consented to remain until June next, to assist Mr. Oaten. He will be greatly missed whenever he leaves.

# BEST POLICE WORK IN SEVERAL YEARS.

## Resulted In Arrest of Five Men and Capture of Load of Stolen Stuff.

### Constables Brannon and Barrett and Detective Coulter Come In For Great Praise.

William Brooks, 70 Napier street, acquitted of the charge of receiving stolen hides a week ago.

Lewis Levi, Barton and Caroline, in partnership with his father in the second hand and scrap business.

Harry Weinstein, about whom the police know little, but say that he is an ex-convict.

Joe Goldberg, son of the man who formerly ran the scrap business now belonging to Levi and his son.

Albert Dunsmore, who is a carter and owns the horse and rig which was used to cart the stolen copper wire, of former good character.

These five men are all in custody as the result of one of the cleverest pieces of police work ever done in Hamilton.

Arresting them at the point of a revolver and driving them handcuffed to No. 3 Police Court on top of a load of copper wire which they were charged with stealing, was the daring feat accomplished by Constables Brannon and Barrett, doing plain clothes duty, this morning. Yesterday afternoon the police received word that a lot of wire had been disappearing for some time mysteriously from the Brantford & Hamilton and the Dundas lines. Detective Coulter was put on the job alone, and he started out after supper to get a line on the stuff. He soon got a general idea of who the gang was which was responsible for the mysterious disappearance of the wire, and he hunted up a man in the city, a prominent brass and copper manufacturer, who had arranged not an hour before to take a load of copper wire from five or six men. The detective after this started out to find the hidden wire, and in a short time he was able to get a good idea of where it was. After dark he verified this by finding a number of coils of wire, which would weigh considerably over a ton. He went back for men to remove it, and took Constables Sayers and Robson out with him. They were also in plain clothes. When they got out there Coulter decided that it would not be a bad idea to wait there, and see if the men would come after the "swag." The wire was found by Detective Coulter in the gully about 200 yards this side of Ainslie Wood, and the two constables had no chance to spring a surprise, so they decided to take a chance and crawl around the gang, and getting behind them, crawl into the city after them, where they could get help to capture them. They made a long detour through the marsh, walking in mud and slime knee deep, and after a toilsome journey got to the T. H. & B. track, but were not much better off, as they could see the two sentries on the hill keeping watch in their direction. Nothing daunted, they discarded their overcoats, and creeping

ran out from the roadside and grabbed the horses of the two men by the bits. Scott struck one of the men with his crop, and the highwayman promptly drew a revolver and fired two shots in the air. Scott's horse took fright and bolted back along the road, and went some distance before Scott got him quieted. Leaving his watch and money in a house nearby, he rode quickly back, but by the time he had arrived Hall had handed over \$17 in cash and a gold watch, and the men had disappeared.

The police think the three mounted men could easily have hidden them down and saved their money.

The police gave out this afternoon that the wire was all the property of Woodman Bros., the contractors for the Cataract Power Company and that there was about \$6,000 worth of it. It will be brought to town this afternoon. The value is estimated at about \$1,500.

## A DARING HOLD-UP NEAR THE HIGH LEVEL BRIDGE.

### Three Men on Horseback Stopped and One Robbed of Watch and \$17.

A daring hold-up, one of the most daring ever pulled off in this vicinity, was worked successfully last night at the hill just north of the Valley Inn. David Scott, of T. H. Pratt & Co.; George Hall, who works for J. Hammond, and Willie Hammond, son of J. Hammond, were the victims, and they allege that two colored men held them up, but the police opinion is that it was two whites with their faces blacked for a disguise.

The two men and the boy were riding horseback, and were on the way home in the dark when the two marauders

## LOST A FINGER.

Harrison Horning, a young son of Mr. Judson Horning, Ancaster township, met with a painful accident yesterday. He was working with a crowbar, prying a large stone, when the bar slipped and allowed the stone to fall on his hand, crushing one of his fingers so badly that it was necessary to have it amputated.

## LORD'S DAY ACT.

Ottawa, Nov. 20.—(Special)—An interpretation of the Lord's Day Observance Act has been asked for from the Board of Railway Commissioners by the Grand Trunk Railway. Recently the Lord's Day Alliance sought to take action against the Grand Trunk for switching freight cars and making up freight trains in Toronto.

## RAILWAY STRIKE IN INDIA, PASSENGERS LEFT STRANDED.

### European and Native Employees Quit Work--- Long Hours, Poor Pay.

Calcutta, Nov. 20.—Traffic on the East Indian Railway, 2,165 miles long, and the second largest line in India, is rapidly becoming paralyzed by a strike. The trouble originated with the engineers, who are almost entirely European, and yesterday and to-day great numbers of natives belonging to the traffic staff joined in the movement. The most important section of the road, from Calcutta to Allahabad, is practically tied up, and already six thousand passengers are stranded at Amuzel, Bengal, the junction of the East Indian and Bengal-Nagpur Railroads, where the strikers

## SIX WERE UP FOR ELECTION.

### SOLDIER DOYLE AND PALS WILL BE TRIED IN DECEMBER.

Frank Anderson. Alleged Purse Snatcher, and Harry Quackenbush, Accused of Theft, Will Come Up Next Tuesday.

George Young, Walter Hildreth (Soldier Doyle), Howard and John Campbell were before Judge Monck this morning for election. Mr. J. L. Scheller appeared for Young, Hildreth and Howard Campbell, and Mr. George Kerr was present for John Campbell. The charges of stealing were read separately to each one. Young was charged with stealing jewelry and other valuables from the residence of John Sintel, 32 Grant avenue, on the night of Nov. 12. Hildreth was up on the same charge. They both elected to be tried by a jury, as did Howard Campbell. John Campbell declined to elect, on both charges. The quartette were also charged with entering into the house of John Wright, 18 Hughson street south, on Nov. 7, R. S. Boniface's residence, 250 Charlton avenue west, on the night of the 10th, and on the night of the 3rd of November into the residence of Catherine O'Shaughnessy, 66 Ashley street. They elected to be tried by a jury, with the exception of John Campbell, who declined to elect. Judge Monck remanded them until the next sittings of the court, which will be in December, before Judge Snider.

Frank Anderson, the alleged purse snatcher, was before Judge Monck, on a charge of stealing \$12 from Catherine Burgoyne, on the 6th of November, and also of stealing \$9 from Catherine Duncan, on the 24th of August. He elected to be tried by a Judge, and was remanded until next Tuesday.

Henry Quackenbush also elected to be tried by a Judge on a charge of entering a gold watch and other jewelry from the residence of Andrew Linklater, 99 Bailey street, on the 11th of April last. He will come up on Tuesday morning.

## TAKEN TO GUELPH.

George Malotte, a colored man wanted in Guelph, on a charge of assaulting J. Doyle, a Fuslinch county farmer, was arrested in this city yesterday afternoon by Detectives Campbell and Coulter. He has been a fugitive for some time, and escaped from the police at Preston after they had arrested him, and this will probably make another charge against him. Chief Randall, of Guelph, claimed his prisoner this morning, and left on the noon train with him.

Captain G. N. Cory, of the Royal Dublin Fusiliers, is the guest of Mr. and Mrs. C. W. Thomson for a few days.

## WILL CHANGE THE CAR RUNS.

### ONLY LARGE CARS ON KING STREET EAST AFTER THIS.

Will Run on Barton and King East, While G. T. R. Stuart Street Cars Will Make the James Street South Run.

It is announced that some changes will be made on December 1 in connection with the operation of cars on the City Street Railway. After that date the "green" cars will no longer run from the Stuart street station to King street east terminals, but will go around the James street south belt line. The Barton street cars which now go James street south will run east on King street, the cars going up Sherman avenue and Westworth street alternately. There will be no change in the running of the James street north cars; they will continue to loop the loop via King street west. It is the intention of the Board to use all big cars on the Barton and King east lines, as it is figured out that the travel in these two divisions of the system is heavier than in any other division. The Radical cars running on King street east will give some relief, too. For some time residents of King street east have been complaining about the service, the cars not being able to handle the traffic at the noon hour and at 6 o'clock.
