During the three first days of the previous week he was engaged, with that unfailing zeal which characterised his discharge flowery duty imposed upon him, at the 'Triduur,' in the parish of Donamoine. On the evening of Carrickmarcross, and such was the energy of his character, he battled with the terrible disease for a few days—discharging his duties as usval—but the rest which a sick bed could afford. All that medical skill could do to arrest the disease was dome; but, alas! God willed otherwise. THIS greathousehold edicine ranks among the leading necessaries of life. It is well known to the world that it cures many complaints other remedies cannot reach, the act is as well established as that the sun lights the world. Disorders of the Liver and Stomach.

Disorders of the Liver and Stomach. Most persons will, at some period of their lives, suffer from indigestion, derangement of the liver, stomach or bowels, which if not quickly removed, frequenty settle into a dan-gerous illness. It is well known in India, and other tropi-cal climates, that Hollowary's Pills are the only remedy that can be relied on in such cases. Almost every soldier abroad carries a box of them in his knapasck. In England most persons know that these Pills will cure them whenever the liver, stomach or bowels are out of order, and that they need no physician. Weakness and Debility. One Fill in a Dose ! What one Hundred Letters a Day say from patients all over the habitable Globe : 'No more noxious doses for me in five or ten pills Such as suffer from weakness, or debility, and those who cel want a fen rgy, should at ovce have recourse to those Fills, as they immediately purify the blood, and acting upon the main-spring of life, give strength and vigor to the system To young persons entering into womanhood, with a dewange ment of the functions, and to mothers at the turn of life these stills will be most efficacious in correcting the tide of life that may be on the turn. Young and elderly men sufthese rills will be most efficacions in correcting the tide of these rills will be most efficacions in correcting the tide of life that may be on the turn. Young and elderly men suf-for in a similar manner at the same periods, when there us always danger; they should therefore undergo a course of his purifying medicine, which insures lasting health.
