### DISEASES OF THE SMAN.

The state of the s SORES, WOUNDS, BAD BREASTS, BAD LEGS, or will be sent free at In the class of maladies, an improvement in the appearance of the discrete of the patient, follows the first dressing with the tim ment.

It must not only be smeared on the wound, or sore, but he rock you'll do for some notice around about the discrete walled.

To whom please address all communications.

To whom please address all communications.

to whom please address to the first within a control of the world of the control the continues of the bode, and will exercise the most stage some post over every tissue requisite for through reparation. The effect of the Outment is note-seed by formally state warm water before the Outment is ruth dire; but some anything should never be closed with sponge or anything slow, as the voting should never be closed with sponge or anything slow, as the voting and new flosh which appears like a October 19, 1861.

BLOOD TO THE STANDARD CONTINUES OF THE STANDARD CONTINUES

BLOOD TO THE HEAD, APOPLEXY.

Noting gives so much ease in these complaints from which or many suffer as Hotoway's cooling and healing Outment. After rathed upon the apine, it acts most energetically in fraving surplus blood from the brain, with in children in testing; this Outment has a mirrorbous effect in preventing inc, and convulsions, so often attendant on tooth cutting. The Pills should be used according to the directions. RHEUMATISM, GOUT, STIFF JOINTS.

Every one suffering from these painful affections should use this puritying Outment, as it has re-cued thousands from a life of to ture after every other a-cans had been tried in vain. The Outment should be well rubbed into the skin at least twice a day, after it has been properly formented with warm salt and water, and dired. The influention soon yields, and the patient no longer helpless, resumes his accustomed occupation.

To combat these diseases with success, a remely is required which with have the whole absorbed system under its control. Such a remedy is Holloway's Unitment, when rubbed on the identification of importance to the gland, and removes any obstruction or impurity which may be impending their healthy action. This Obstructural case on the very mainspiring of life, for through the glans pass all new matter required for the body's reparation in all the above classes of cases, the Unitment and Pills used conjointly, will act so scearchingly, and certainly, as to effect cases in the most deplorable cases. FISTULAS ATD PILES.

All inflammations and electricates of sensitive parts may be presently releaved, and altimately cared by the diligent use of his conting and healing Dintment, asked twice daily by hathing the parts in cold water. Immediate case springs from this treatment; perseverance is necessary to effect a permanent care. ASTHMA SHORTNESS OF BREATH.

In these complaints the Ointment should be well rubbed wice a day, upon the cher, and between the shoulders, it will enterate to the lungs, stimulate them to renewed exertions, revent stagnation of blood, undertare the pulsations of the hear regulate the current of air through the broachial tabes, and thus first a perspect care. ·ffect a permanent cure.
