DR. ARTHUR B. COBB
Dentistry.

The most REMARKABLE thing about this modern Dental establishment is that every Dental operation is performed by a Dentist who has specialized in just that particular branch of Dentistry.

Dr. Cobb personally supervises the extractions; and his method, perfected by twenty-three years of experience renders the operation painless in normal cases.

There are also Specialists here who devote their entire attention to Crown and Bridge work with the natural result that their work gives complete satisfaction and gratification.

The most ASTONISHING thing about this exceedingly modern Dental establishment is that the patient has all the benefits of Specialized treatments at such extremely moderate charges.

There is no charge for examination and the patient is told at that time just what the completed work will cost him.

HISTORICAL AND VALUABLE TO BE PRESENTED TO PUBLIC SCHOOLS

A picture, unique in historical interest, and of most unusual educational value, representing the combined fleets of Great Britain, France, United States, and Canada, is to be presented to the schools of St. Catharines by the Chairman of the Board of Education.

This picture was taken at Quebec in 1908 on the occasion of King George's visit, then Prince of Wales, to this Country. It is one of the largest pictures taken, being 15 feet by 7 feet in length.

The day of July 24th, 1908, was an ideal one, and the conditions in the harbor were such that the battleships and cruisers were able to approach far more closely than is usual or advisable and in review formation.

Actual life and motion almost appear in this wonderful reproduction of the stirring scene, which was the last official peace meeting of the representatives of these three mighty fleets. Who could have foretold that their next meeting would be to protect the shores, our homes, our wives, mothers and children, and the world liberty?

TELLS A STORY.
The picture tells a wonderful story. A meeting in peace, untroubled by thoughts of war, a presentation of the most gallant navies of the world, flagships, battleships, cruisers, and sailors that never ran an alliance, however, which unknown at the time

Save your hair! Make it thick, wavy, glossy and beautiful at once.

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch; but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first - yes - but really new hair - growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing - your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable luster, softness and luxuriance, the beauty and shimmer of true hair health.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any - that it has been neglected or injured by careless treatment. A small trial bottle will double the beauty of your hair.

"The Duchess says she doesn't know much about America." "That's natural. She was born and raised in New York." - Louisville Courier-Journal.

A Reo Owner Says It Better Than We Could

ASKED HIS OPINION as to the relative merits of various competing makes of automobiles, a Reo owner after a moments thought said: -
"THERE ARE MANY good automobiles - but the man who owns a Reo is lucky!"

YOU KNOW THAT WORD "lucky" has come to have a new significance of late - since our boys over there used it.

TO BE "OUT OF LUCK" was their way of expressing any tragic or difficult or aggravating condition. It might be the result of bad judgment or bad conduct or just chance, but they covered it all by the one expressive term "out of luck."

THIS AUTHORITY WAS RIGHT - used in that sense the owner of a Reo is always lucky.

HE ALWAYS GETS THERE, though his friend in some other car stop by the whyside.

NEXT TIME YOU HEAR a motorist in trouble exclaim, "just my luck" - repeat to him what that Reo owner said.

GOOD LUCK in the ownership of a good automobile is the result of good judgment in selecting the right one when buying.

IT IS EASY TOO to determine which is the best car in any size or price class. Just ask owners. And ask garage men - ask anyone who knows, to name the two best, and, as one of them he will name Reo.

THEN NOTE how much oftener Reo is mentioned than any other comparable car - follow the suggestion, and you can be lucky too!
