LOCAL AND OTHER ITEMS.

THE Summerside Market House was opened last week with great eclat.

MR. GEORGE BOLLUM has been appointed Preventive Officer at Egmont Bay.

THE schooner *Fiona*, laden with herring, went ashore last Friday on Crapaud Bar.

AT an examination held last week in Halifax, Mr. Angus McDougall, of Eldon, received a certificate as mate.

THE steamer *Nellie Wise* arrived last Sunday morning from Liverpool with general cargo. She sailed for Miramichi yesterday.

THE *Miramichi* made her last trip for the season from Montreal on Saturday night, and sailed again on Monday morning for Pictou.

THE biggest turnip yet is one grown by Mr. Henry Chowan, Malpeque Road, which weighs 27lbs., and is 43 inches in circumference.

THE barque *George Peake* arrived here on Sunday, 21 days from Liverpool, with general cargo to the owners, Peake Brothers & Co.

HALIFAX MARKETS—Oats 42c., Barley 70c., Potatoes 25c., Turnips 25c., Mess Pork, $14.00 to $14.50, Thin do, $13.00 to $13.50, Prime do, $12.00 to $12.50; Eggs, 20 cts. per dozen, Butter, 17 cts. per llb.

THE *Patriot* says that the lime burning business is assuming some proportions on the Island. One kiln, near the city, turned out nearly 7,000 barrels this summer, a great portion of which was exported.

THE S.S. *Cuban* sailed from this port for St. John's, Nfld., last week with the following cargo: 426 bales hay, 83 bags barley; 15 brls. oysters, 28 brls. parsnips, 30 sheep, 2 head cattle, 16 quarters and 2 crates meat.

THE brigt. *W. E. Warner*, Doucette master, from Boston, arrived at Summerside on Friday evening with goods and to load there for the United States. The veteran pilot, Capt. Turnbull, now in his 85th year, had her in charge up the Gulf.—*Pat.*

THE *Patriot* says: "Mr. Neil McKenzie, of Gaspereaux, grew 100 cartloads of potatoes on his farm this year, which averaged 25 bushels to the load, making a total of 2,500 bushels, while Mrs. McClure, who lives near him, had 150 cartloads, making in all 3,750 bushels.

WE understand that Prof. J. T. Mellish has been appointed Resident Manager for this Island, of the Union Mutual Life Insurance Company. Mr. Mellish is well and favorably known as a man of sterling character, and no doubt will make a successful manager of this first class company.

THE *Examiner* reports that on Saturday evening last, as Messrs. J. W. Mullally and L. B. Miller, of the Commercial College, were driving past the junction of the Mount Edward Road with the St. Peter's Road, shortly after dark, a revolver shot was fired at them by some miscreants who were driving on a dray. The parties were unknown.

OUR pushing townsman, Mr. Theo. L. Chappelle, deserves the gratitude of the citizens for his enterprise and public spirit in affording them the great literary and musical treats of last week and the present. Mr. Chappelle hopes to secure Justin McCarthy during the winter, although the English elections have interfered with that gentleman's plans.

MAJOR JOHN HOPPER, General Agent in Montreal for the Mutual Reserve Fund Association of New York, is one of the latest exodians to the adjoining Republic. The Major lived in great style, his furniture costing $8,000. He has left mourners behind him to the tune of $18,000. The Major was well known in Charlottetown. He has turned out a good hopper.

A CORRESPONDENT of the *Examiner* writes: "Mr. Herman McDonald, of Hermanville, again comes to the front, this time with turnips. Mr. McDonald succeeded in growing this very valuable root to an enormous size this season. Ten turnips filled a barrel, which weighed 168 pounds, an average of 16¾ pounds apiece. One single turnip weighed 19 pounds.

A DETACHMENT of the Gospel Army which, by the way, has taken up permanent residence in Charlottetown, opened fire in Summerside on Saturday night, with immense houses. The number of converts is variously estimated. One hitherto prominent sporting man has sold two horses and given up training his colt; he is at present considering the case of his cow and his dog—to sell or not to sell is the question.

JOSEPH COOK delivered two of his celebrated lectures to crowded audiences in the Market Hall last week. The subjects were, "Does Death End All," and "The Seven Modern Wonders of the World." While Mr. Cook's voice and manner are not those of an orator, yet it is plainly to be seen that he is a deep thinker and a close reasoner, and the matter of his lectures was such as to set his audience thinking, which was, at least, one useful purpose attained.

A TERRIBLE explosion took place at the sawmill of Mr. Wm. Vincent, West Devon, Lot 10, last week, whereby the fireman, named Lynch, was instantly killed, and Mr. Vincent received such injuries that he subsequently died. Lynch, it is said, was a young fellow who knew nothing about steam power, and he undertook to fill the boiler when it was nearly empty, there being a large fire on at the time. The consequence was the explosion. The mill was completely destroyed and Lynch's body so disfigured as to be unrecognizable. Three boys had left the mill shortly before the accident, who, had they remained would have been killed.

THE steamer *Carroll* arrived last Wednesday night from Boston with following passengers: Mrs. H. M. Churchill, Mrs. B. Ross, Mrs. Ellen Blackmar, Mrs. Bridges; Misses Marion Crabbe, Rose Blackmar; Messrs. James Curran, J. H. France, Jos. Grant. She sailed again on Thursday for Boston with following passengers: Misses Mary A. Pratt, Annie Kelly, Margery Bruce, Lizzie A. Farquharson, Mary Creed, Maggie Doyle, Sarah Doyle, M. A. McDonald, K. R. McDonald, Maggie McGillivray, Florence C. Bradley, and Mr. Walter McKie. Also following freight: 2477 bags potatoes, 587 cases eggs, 209 cases canned meat, 29 brls. mackerel, 20 brls. hake sounds.

To the Electors of the Second Electoral Legislative Council District.

GENTLEMEN,—

At a large and influential Convention of Reform delegates from your District, I was unanimously chosen as a candidate for the vacancy caused by the death of the late Hon. L. McMillan.

I have accepted the nomination, and respectfully solicit your support.

I oppose the present Government because its members have broken their pledges respecting a reduction of the expenses of Legislation, because they greatly neglect our roads, bridges and wharves, and because under their system a burdensome public debt has been imposed on the country.

The policy I support is the reduction of the number of the members of both branches of the Legislature one-half, and their amalgamation into one Chamber.

Further reforms should be made in the abolition of offices now unnecessary, such as the Commissionership of Public Lands, which eat up yearly large sums of money.

Every measure in the direction of reducing the expenditure, consistent with good government, will have my hearty support.

I have the honor to be,
Gentlemen,
Yours respectfully,
November 3, 1885. JOHN C. LEITCH.

FENTON T. NEWBERY.
Charlottetown, Sept. 30, 1885.

THE BOTTOM'S OUT OF THE MARKET, AND PRICES ARE STILL TUMBLING. OUR GREAT SHOW.

REID BROS. have just opened a large invoice of fine Tweeds made of pure Saxony wool purchased from a manufacturer's agent who unloaded part of his overstock at a fearful sacrifice, whose name we are not permitted to mention, but intend giving our patrons the benefit of this purchase. These goods have never in the history of Canada been retailed under 2½ per yard, and we now are enabled to offer them at 86 cents per yard, or will make up in our Tailoring Department suits from them at $16 each, with serge lining, and other trimmings to match, and at a smaller price when trimmings are required. We will produce letters from some of the best men in town and country, which must satisfy the most esthetic that our Cutter and his helps are keeping pace with the times, and his garments are always neat, strong, perfect fitting and full fashioned. We are aware that many persons are humbugged with merchants advertising goods as ridiculous prices which they cannot produce, and to meet this difficulty we ask intending purchasers to call and examine these goods, and we are confident that one inspection must satisfy the most skeptic that they are just as represented.

Also, 50 Men's Suits do. very fine Scotch Tweed, $14, worth $20; 100 Overcoats and Reefers, full fashioned, $3.50 worth $5.00; 100 Youths' Suits, $3 to $3 each; 50 Men's Black Worsted Pants, $1.25 and up; 20 doz. Top Shirts, 80 cents and up; 40 doz. Shirts and Drawers, 30 cents to $3 each; 100 pairs heavy working Pants, $1.25 and up; 100 pairs heavy Tweed Pants, $2 and up; a very large stock of Tryon Tweeds in quite new designs; a large stock of Overcoatings, 86 cents per yard and up; a large stock of Cheviots, 50 cents per yard and up; a large stock of Coreets, 50 cents and up; a large stock Ladies' Cloves, Collars and Skirts, low prices; a large stock of Ladies' Jackets and Ulsters, $1.50 and up; a large stock Ladies' Undervests, 50 cents and up; a large stock of Yarns, all shades.
