The Evening Telegram.

IF it is only because they are so interesting—apart from the practical opportunities they offer—the small advertisements in the People's Paper, the EVENING TELEGRAM, are well worth studying.

VOLUME XXXIII.

PRICE: ONE CENT.

ST JOHN'S, NEWFOUNDLAND THURSDAY, OCTOBER 5, 1911.

\$3.00 PER YEAR.

No. 229

Why should I buy a roofing that needs to be painted every time when for the same money I can buy AMATITE which needs no painting?

The outer surface is composed of real mineral matter, which makes painting unnecessary. With an Amatite Roof on your building you end your roofing troubles. When you buy a roofing that requires frequent painting you begin them.

Smooth roofings that require painting are a nuisance and an expense. When you buy them, you buy trouble—not protection.
