

WHOLESALE TEA BUYERS

will find our
Prices Interesting.

We have just received a large shipment of Teas from Ceylon but same is being rapidly depleted.

We are, however, booked up for later deliveries, though at slight advances, and can at the moment (if you act quickly) book you up for Fall deliveries.

We anticipate that it will be very difficult to get freight space from Ceylon later, as it is not easy now, and we understand imports via New York are not up to requirements, which, combined with difficulties of exchange, insurance, etc., have given rise to talk of very high tea prices.

If you are a Tea Buyer and wish to avoid paying high prices now, and more especially in the Fall, call in and see us immediately, phone or wire.

You cannot act too quickly
