Bedrooms & Beds

There's nothing more important to the bedroom than the Bed itself, is there? From the point of usefulness or ornament it ranks first. Does your Bed suit your taste? Does it harmonize with your room? Does it give you the sleep-comfort you need? No? Well, then it's time to discard it and get another, quick.

We are showing All-Brass, Brass and Enamel, and All-Enamel Beds in all sizes and very fine designs. Each and all of which Beds can be fitted with Springs and Wool or Felt Mattresses if desired.

Prices quoted on request.

One thing essential in your Winter Coat is QUALITY. One has to wear their Winter Coat for many months, and to stand against this you require the best of material in it.

We have carefully selected our stock of Winter Coatings and feel we have goods that merit your approval. You can purchase enough excellent material to make a coat for \$24.00, and if you wish we can make it up for you, and deliver the finished garment in a week or less if necessary. The material is equal in quality to that in coats which retail at \$70.00 to \$90.00.

We ask you to come in and see the goods, examine them, get samples and prices, compare with others, and come back and purchase the goods.

If a Testator

although seeing the benefits to be derived from a Trust Company's administration, hesitates about canceling any appointment he may have already made, the Montreal Trust Company can be named to act with the Executor or Executors already appointed. In this way the Trust Company co-operates with the Testator's appointees in the administration of the Estate.

This plan is very acceptable when the Testator's wife is named as Executor. Few women have the necessary business training to enable them to carry on the administration of an Estate, but with the co-operation of the Montreal Trust Company the Testator's wife can be appointed with full assurance that the Estate will be well looked after.
