SOMETHING NEW

New! New lines, new design, new comforts! If these phrases can still mean anything when applied to a motor car they most fitly describe the new Chevrolet.

So often are yearly models introduced by such descriptions that they have automatically ost some force. That is, as or

with meaning. For the Chevro-let about to be revealed is new, actually new, in practically ev-

It is hard to realise, in this It is hard to realise, in this age of rapid automotive development, that a great deal of improvement can be made in a car at one time. But Chevrolet engineers have apparently evolved a state of development hitherto considered impossible in the small, relatively inexpensive car.

The new Chevrolet at the least merits new consideration. By its startling improvements it will repay the curiosity of even the most casual. And for those interested in the small, light car, it may easily have a great deal to offer.
