

AND'S DEVOTION.—The Utica... On the first... March last, a Mr. Spier, then... Watertown, in this State, hav-... invalid wife, who had lost the use... lower limbs, on being told that the... waters of Saratoga might prove... started from Watertown with a... wheelbarrow, containing his wife and an... infant child of twenty months, together... with a few articles, making the load he... had to wheel some 280 pounds. He was... also accompanied by his other child, a boy... of some six years of age, who walked the... main way from Watertown, while his... father laid in to borrow his poor lame... wife, the baby, a few quilts, &c. During... the snow storm in April, while in Lewis... county, the family were compelled to lay... up in a shanty for eight days, food being... furnished them by some kind neighbors... On Saturday last the group arrived at... Saratoga, and, by the exertions of some of... the citizens of the village, were provided... with the means to go to housekeeping... and the family are settled in the upper... village. We learn that Mr Spier is about... forty years of age, his wife being a little... less junior. It was the recommendation... of two physicians that Mr S left... Watertown upon his self-sacrificing trip.

A NEW POLAR EXPEDITION.—Notwith-... standing it has been proved beyond doubt... that it is impossible to find a north-west... passage, inasmuch as the sea extending... from Baffin's Bay, Behring's Straits, is... impassable for ships, a daring son of the... sea, Captain Sherard Osborn, is endeavor-... ing to have an expedition fitted out to... make further discoveries. He claims that... much remains to be done; that it remains... to be decided whether it is sea or land... that covers the North Pole; and is de-... spondent of witnessing the sublime spec-... tacle of a never setting sun. He is will-... ing to undergo all sorts of hardships, and... suffer all the miseries incident to a voy-... age, if he can only be gratified. Whether... he is likely to be honored in his curi-... ous fancy remains to be seen. Much has... been risked, much has been lost, and... many valuable lives have been sacrificed... in the futile endeavor to discover a North-... west passage; still there are hardy souls... who thirst for a glimpse of the North-... easters there to be seen. Captain Os-... born is no novice in the Arctic navigation... or he has shared the hardships of a voy-... age to the Polar seas, yet is zealous in... seeking the assistance of those who will... aid him in trying another and last exer-... cise. He feels satisfied that an open... sea exists at the Pole, and he is anx-... ious to be in it. There is nothing further... to be gained by research in the Polar re-... gions, but Captain Osborn wishes to... make more apparent the discoveries... made.

MISS RYE'S GIRLS.—About sixty of the... girls brought from England by Miss Rye... reached Toronto on Thursday. The... tidily with which these girls were pick-... ed up was remarkable, and exhibited in... forcible manner the demand that exists... for such help. Mr. Donaldson the emi-... grant agent declares that with the appli-... cations coming in from other points, he... is quite competent to find occupation... for a thousand, and that without any... cost. Over 350 ladies in Toronto had... made application to engage those girls.

MR. HOWLAND WILL BE INSTALLED AS... Lieutenant Governor General of Onta-... rio on Dominion Day.

QUERIOUS LAW SUIT.—At a late court, a... man and his wife brought cross actions... charging the other with assault and... battery. On investigation it appeared... that the husband had pushed the door... against the wife, and the wife, in turn... pushed the door against her husband... gentleman of the bar remarked, "he... could see no impropriety in a man and... his wife a-doring each other.

TRACTION ENGINES.—The traction en-... gine imported by Mr. W. S. Taylor, of... Toronto, arrived in that city on Thurs-... day by the Grand Trunk Railway. It... will draw 15 tons up 1 in 12, or from 20 to... 25 tons on a level.

A SEIZURE OF Fenian arms at St. Albans... Monday by the United States Gov-... ernment is reported.

FRENCH TROTTER STALLION,

ROUVILLE ST. LAWRENCE

WILL stand for Mares at his own stable, at the
Anglo-American Hotel, Guelph, this ses-
sion. Terms same as last year, \$8, \$5 and \$3. This
is the best made horse and fastest trotter in the
County of Wellington. He is of the stock of the
famous trotting horse record. His sire was sold
for \$8500; his dam trotted on the New York Fashion
Course in 2:29; his dam's full sister has made her
time in 2:28, and is now owned by the celebrated
horseman, Robert Bonner, of the New York Le-
ger. In consequence of the bad judgment of the
judge appointed at the last Horse Show at Guelph
I will not disgrace my horse by travelling against
such a horse as got the first prize in his class
above. Favoritism and want of judgment is the
general rule now adopted, so that no good horses
need be expected to show here another season.
