Never Such Prices as These Ever Attempted Before on High Grade Table Linens

In many cases the prices are just about cut in half, and you must keep in mind that our stock of linens is the very best to be had. We go right across the water to buy our linens, and we buy direct from the mills, and by buying in larger quantities than the ordinary merchant, we get better prices. You have all this to consider when it comes to testing values, and comparing prices, and then this July Clearance brings prices on Table Cloths away down. A grand opportunity for every housekeeper, restaurant keeper, to stock up or refresh their linen supply now. Glance over these prices, and buy as early as you can, for some will buy enough to last them a lifetime.

A Fitting Climax to Robinson's Spring and Summer Business. We've Had Our Time, and Now It's Up to You to Have Yours from Now Until the End of July.

Midsummer finds us with larger stocks on hand than we ought to have at this season of the year. Nothing wrong with the goods. But we slightly overestimated when buying, and the weather had something to do with it, too, and other various reasons. So it happens that now we find our shelves and counters filled with thousands of dollars' worth of summer goods, which must be moved promptly, even though considerable loss of profit result. We never allow goods to accumulate from one season to another. It is for this reason we hold this
