## Leading Lights in Millinery Shown on the Second Floor

We welcome you to come and view our selections of the season's newest creations of Women's Headgear for fall and Winter wear, a collection which we are proud to show. Hats of that pronounced individuality and exclusive refinement that characterize the choicings of our Millinery Management. The range of styles is extremely large, from effective styles of quiet richness to the most elaborately trimmed affairs, that are really triumphs of skill in the harmonizing of colors and trimmings.

Leading lights of the world of millinery fashion would freely acknowledge these lovely hats as children of their genius, and well they might. Such bewitching conceptions would bear comparison with any, rivalling in the elegance and exclusiveness of their style-treatment creations of Paris and New York ateliers.

In addition to these we also call your special attention to the lovely but inexpensive hats designed by our own extremely clever milliners. Modest prices, to be sure, and style so wide that all may choose the best here. Ready-to-Wear Hats at \$2.50 to \$7.00. Second Floor.

## Heater Buying Time at Hand. See Our Display. New Annex

Now that the chilly evenings are at hand, a good Heater is an honest necessity. When purchasing a Stove or Heater, it is well to consider which is the best suited to your wants, as there is no telling what the chances will be in the fuel line this winter. Therefore, if you need a good, economical Coal Heater, here is the place to find it. If you want a Wood Heater see our stock before purchasing elsewhere.

### Empress Air-Tight Heaters For Wood

The Empress Airtight Heater is of the very latest design and is indeed a very handsome addition to any room, as it is very ornamental with heavy nickel plated mountings, is lined with sectional cast iron lining, which will last for years. The body is made of heavy plumed steel and the top and bottom of cast iron. Prices are \$10.75, \$11.50 and **\$14.50**

### Vancouver Cook Stove

has 4 holes, and is for wood only. This stove is the cheapest, considering the quality, that is on the market. The oven size is 22 x 19 x 13 inches; fire box 8 x 23 in. Price **\$17.50**

### The Coronation Range

The special feature of this handsome range is the fire back, which is guaranteed for fifteen years. The oven door is white enamel lined, retaining heat and preserving cleanliness. The oven damper is the popular simplicity sliding damper, while the oven top is cemented. The oven is as nearly square as is possible in utilizing all the space available for oven purposes without depriving the fire box of its liberal proportions, thereby giving the largest oven in the market for the size of the stove.

This range is the acme of perfection in wood burning ranges and we defy competitors to produce a better one. Created by genius and embellished by art, this perfect range sells on its quality. Prices range from \$34.00 to **\$57.00**

### The Nugget Steel Range

This excellent range we offer as the very best that money can produce. Nothing has been spared in material or workmanship to make it so. The special feature is the conveniences. These are roll front high closet, drop tea pot stands, simplicity sliding damper, broiler door on left end and extended fire box for wood. It also has the duplex grate, which is reversible for coal or wood, without change. It is removable by simply swinging open the grate door and drawing out the complete grate and frame, while all the mountings in this A1 range is nicked and is an excellent baker. Price, with reservoir and high closets **\$62.50** to **\$70.00**  
With Tea Shelf and no reservoir or high closet, \$42.50 to **\$50.00**

### Climax Heaters

The Climax Heater is a very serviceable heater, and is made to burn either wood or coal. The doors in front are so arranged that they can be slid back, giving the appearance of an open grate. For a parlor heater this is very hard to beat, as the open front tends to make the room both homelike and cosy, at the same time throwing out extreme heat. The prices are: Wood lining \$7.75, coal lining **\$10.00**

### The Franklin Parlor Heater

The Franklin Parlor Heater is a very handsome heater, and is made to fit in front of the fireplace, and is suitable for coal or wood. The doors can be slid back, giving the appearance of an open grate. Prices range from \$12.00 to **\$15.00**

Promptness is necessary if you'd share in these excellent bargains. Doors open sharp at 8.30 a.m.
