CONVENTION AT DALHOUSIE, N. B.

Plans Made for Entertainment of American Press Men Here in June.

Dalhousie, Feb. 18.—Your correspondent is now in a position to state that as a result of correspondence between C. B. Allen, Secretary of the New Brunswick Tourist Association, St. John, N. B., the Campbellton Board of Trade, Mr. R. H. Dean, of the Inch Arran Hotel, Dalhousie and with the Vice President for the County of Restigouche for the "All New Brunswick" Tourist, Game and Resources Association, the date for the meeting of the convention has been changed, to give an opportunity to entertain for a few hours at the Inch Arran House, the party which will consist of over two hundred Representatives of the National Press Association, representing eleven thousand publications, to this country in June. The party will arrive in Campbellton on the 16th June, will see the great progress the town is making, and after the convention people will provide the automobiles to take the party to Dalhousie, where the convention of the "All New Brunswick" Tourist, Game and Resources Association, will be in session.

It is proposed to give the visitors an entertainment in the way of a "Clambake" something of that kind.

Mr. W. H. Allen has volunteered to supply all the fresh salmon necessary for the crowd.

As a great many ladies will accompany their husbands to the Inch Arran House, during the two days convention, the guests can be entertained the first evening to a dance. After the departure of the Representatives of the National Press Association, the convention will settle down to business, closing with a banquet to take place on the evening of June 17th at which His Honor the Lieutenant Governor of N. B., Premier Foster, leader of the opposition, Hon. P. J. Veniot, Minister of Public Works, and other prominent men will be present.

This will be an opportunity and we should be able to make quite an event of the convention to get a large amount of publicity for New Brunswick.

Speaking with the Mayor and Aldermen of the Town Council of Dalhousie, your correspondent is able to say that the town of Dalhousie will co-operate in every way possible with Campbellton and the rest of the county to make the convention a success. One member of the council said it will furnish a good reason to order a thorough clean up of the town early in the spring, the beginning of a permanent system of sidewalks etc.

Apart from the fact that this year will see a great number of prominent people assemble in the shiretown of Restigouche Co., on the 16th and 17th of June, and that this exceptional event will see the beginning of an era of good understanding among citizens for the reconstruction of our town following the great war, and the prominent part Dalhousie took in it, we must also look forward to the celebration of the hundredth anniversary of the town of Dalhousie, which according to date given by Margaret Grant MacWhirter in her book "Treasure Trove in Gaspe" The Buis des Chaleurs should be celebrated in 1926. During the year 1826 the town was named after its founder, Lord Dalhousie, and laid out in town lots.

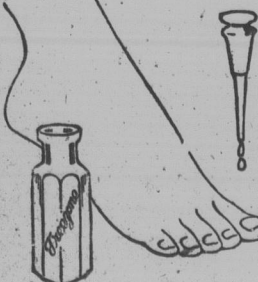

JACQUET RIVER.

Friends of Mr. William P. Arsenau are pleased to hear that he has been awarded a Military Cross for bravery displayed in the battle of Arras, where he was slightly wounded. He enlisted with the 132nd Battalion but was transferred to the 1st Battalion on arrival in England, and returned with that regiment last spring as Sergeant-Major.

At present Mr. Arsenau is in Deser Lake, Ontario, and his many friends wish him success and a speedy return.

LIFT OFF CORNS!

Apply few drops then lift soles, touchy corns off with fingers

Doesn't hurt a bit! Drop a little essence on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, miracle! A few drops of Freeman's corns but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without surgery or irritation. Freeman is the sensational discovery of a Cincinnati genius. It is wonderful.

SALVAGE CORPS NOW AUTHORIZED

Will Form Necessary Corps At Once—More Salary Increases Granted

A meeting of the town council was held last evening. His Worship Mayor Murray presiding. There were present Councillors Campbell, McKay, Dickie, Ingram, Devereaux, Jamieson, Matthews.

The minutes of the last meeting were read and approved.

Reports of different departments were read and accounts ordered paid. A communication was read from the manager of the Electric Light recommending that Jas. Robb's salary be increased to \$120.00, and Ben Larsen's be increased to \$105.00.

Coun. McKay moved that each of the employees of electric light station be given an increase of \$10.00 per month. This gives Jas. Robinson \$115.00, Ben Larsen \$100.00, J. Nelson \$100.00 and F. Delman \$100.00 per month.

The matter of increasing the number of firemen was taken up.

A discussion on the necessity for a salvage corps resulted from the above.

Coun. Matthews moved that the Fire Brigade be increased by eleven men, and that the grant be increased to \$1300 per year—Carried.

Coun. McKay moved that the Chief of the Fire Department be authorized to organize a salvage corps in connection of the Fire Department and when completed submit a list of the men and the equipment required.

The matter of the taking over of the Caracquet & Gulf Shore railway by the Canadian National Railways was taken up.

Coun. Devereaux favored the project. Coun. Dickie said that any one who has ever passed through the section served by this railway would realize the need of a good service to help develop the country. He would favor passing a resolution in favor of the taking over of the railway.

Coun. Devereaux moved that the Council be authorized to draft and pass a resolution favoring the taking over of the Caracquet & Gulf Shore railway—Carried.

Coun. Ingram asked that the usual resolution in reference to overdraft be passed, and that the Fire Department bonds be printed and deposited with the bank as collateral security.

The council passed the necessary motion, and the Fire Department bonds were printed and deposited with the bank as collateral security.

Coun. Dickie said that the motor was shipped on the 12th and the pump on the 14th by express and should be here any day now.

Coun. McKay moved that His Worship be the official delegate of the Town on the delegation which is going to Quebec and Ottawa in reference to the pressing of bridge matter—Carried.

Coun. McKay spoke of the necessity of a change in legislation in reference to exemptions granted to industries.

He favored a vote of the people on all such matters. He also thought that a change in the time of civic elections should be made. As it was now the retiring council had control of the expenditure four months of the year. He favored the election early in January.

Coun. McKay gave notice that he would bring this matter up at the next meeting.

The council then adjourned.

CHANDLER.

A Hockey League has been formed between Chandler, Pabos, Chicoutimi and Levis. The four very capable teams and although Levis started late to organize they are leading us to believe they will win the beautiful cup which is now to be seen at the Grand Pabos store.

The following were registered at Langlois Hotel during the last week: N. Bell, Gaspe; C. and E. Lafontaine, Grand River; Capt. G. Carre, Gaspe; Walter Payn, Jersey; John LeGuedor, Jersey; R. Comeau, Moncton; Geo. Lys, Montreal; M. Galt, Cape Cove; Mr. and Mrs. Tardif, Perce; Dr. J. L. Hande, Bonaventure, P. E. Cote, New Carlisle.

CARD OF THANKS.

Mr. and Mrs. Jas. A. Little and family of Ecoumenc, Quebec, wish to thank their many friends for sympathy and kindness in their very sad bereavement.

"Eyes tested while you wait," a sign read in a downtown window. The other day a man stood in front of the optometrist's window and was heard to say, "I don't know what to do—where do I have them tested while I wait or leave them here and call for them later."

BUY AT HOME.

We would strongly advise our subscribers to watch carefully each week the advertising columns of The Graphic. By so doing you will be kept posted by our local merchants, as to the wares which they offer from week to week. Thus it will not be necessary for our people to send their money out of town, which never comes back, and the community thereby is the loser.

BATHURST WINS BONSPIEL CUP

Made Largest Score and Won Three Times—The Scores.

The Seventh Annual North Shore Curling Bonspiel was held here last Thursday and Friday and created much interest. Bathurst was the winner, and it being the third win for that club they carried home the handsome cup with them.

The First North Shore Bonspiel was held in Chatham in Feb. 1914, between Campbellton, Bathurst, Newcastle and Chatham Curling Clubs, and was won by Campbellton.

The Second Bonspiel was held in Campbellton in Feb. 1915. This year the Dalhousie Curling club was represented. The Bonspiel was won by Campbellton.

The Third Bonspiel was held in Newcastle in Feb. 1916, between the same 5 clubs, and was again won by Campbellton. It was decided that commencing with the 1919 Bonspiel the club gaining the Bonspiel Trophy three times should own it. Campbellton agreed that her victories of 1914 and 1915 would not count in the Trophy contest.

The Fourth Bonspiel was held in Dalhousie in Feb. 1917. This year the "Wood" Schedule of play was adopted for the first time. Campbellton won the Bonspiel with a score of 228 Points.

The Fifth Bonspiel was held in Bathurst in 1918. It was also played on the "Wood" Schedule and was won by Bathurst with a score of 210 Points.

The Sixth Bonspiel was held at Chatham in 1919, Bathurst again winning with a score of 202.

The Seventh Bonspiel at Campbellton, Bathurst winning by a score of 255.

The full totals for each club for the two days' play were as follows:

Bathurst	255
Campbellton	233
Chatham	152
Newcastle	145
Dalhousie	143

Thursday evening the visiting curlers and friends were entertained by the Campbellton citizens to a banquet in the Oddfellows hall. The banquet was served by the Ladies Aid of the Soldiers Memorial Hospital and was a most enjoyable one. After a short programme of music, speeches, etc., was rendered.

Bathurst's big lead in the first day's bonspiel was very little cut down by Campbellton in the second day though there were great tussles, whenever their rinks met or when they attempted to increase their score at the expense of some other club. Among the noteworthy features of the first day was Bathurst's record score of 32 to 4 over Dalhousie and Wan's win of 24 to 5 over the same club.

In the second day McKnight of Newcastle downed Wan 12 to 5, showing what fine curling the Dalhousie rinks were doing the second day.

Rossborough, Donald McLean, School Inspector P. G. McFarlane, Revs. Mr. Miller and Mr. Harrington. CHURCHES DRIVE WAS SUCCESSFUL

All Churches in Forward Movement Drive Show Generous Response.

The Forward Movement drive for funds which came to an end last Saturday night was very successful. St. Andrew's Presbyterian Church also doubled its objective, which was \$1000.00. The amount reported Sunday was \$750.00 with some pledges yet to come in.
