LACROSSE. The Torontos Defeat the Varsity Team

at Rosedale, The crowd at Rosedale on Saturday after noon was small, but those who were then took a deep interest in the game. Varsit students turned out strong. Their team seemed to have a "cinch" in the first part of the match, but towards the end lac part of the match, but towards the end lac of practice told on them and they lost. The day, though a little cool, was exceptional line for this time of the year, and the fiel was in the pink of condition. Varsity had strong team, as will be seen by the list, and with Boyd and Martin playing on their side it is a wonder that they did not who. At 3.30 the teams lined up like this:

First game: The play was loose and neither team warmed up to their work. The men did not try any combination work, but each man played for himself. The Varsity team showed a lack of practice and the Torontos a lack of vim. Varsity had the best of the game all through, and after 7 minutes of loose play Henry scored.

The second game was shorter than the first. The sphere traveled from the face to McConagby's quarters. He returned it, and Dave Heggile sent'it back again. This time it hovered around the 'Varsity's goal, until Ed Peaker, an old Brampton player, got it and by a swift shot scored the second game for 'Varsity.

Ed Peaker, an old Brampton player, got it and by a swift shot scored the second game for 'Varsity. In the third game the Torontos hustled from the face. Martin, who was playing goal for the 'Varsity team, stopped several hot shots in the early part of the game. Ketchum, for Varsity, handled his stick well, and fooled the Toronto Players several times. The play was in Toronto's favor all through at length Woodland scored for Toronto. Time—23 min.

The fourth and fifth games were repetitions of the third. The Torontos rushed the play all through, and despite the efforts of lacrosse. Doc Heggie and Campbell of the 'Varsity team they scored both times. The sixth game was a god exhibition of lacrosse. Doc Heggie and Martin had a good work for the first part of the game; but were equal to the task, and did grandwork for their team. The combination work and shooting showed a marked improvement compared with that of the former games. Lou Campbell of the Bradford Club, who played such a great game here against Seaforth and the Athletics, again proved himself to be a first-class player. Always in the right place he scored for the Varsity many times, Park for the Torontos did some good shooting in this game; but Martin generally made his efforts to score futile. Play was transferred to the other end of the field and it was McConaghy's turn to distinguish himself. He kept the 'Varsity home from scoring many times, and although they kept the ball close on the flags all the time, they could not get the flower of the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the flags all the time, they could not get the fl

MONTREAL, Oct. 24.—There was an immense attendance at the lacrosse grounds here to-day to witness the great match for the championship of the world between Montreal and Cornwall. The weather was cloudy, the field in good condition. At the start the betting was slightly in favor of Montreal. The match resulted in a great victory for Cornwall by 5 goals to 1. Following is the summary; MONTREAL, Oct. 24,-There was an im Scored by. Won by. Game.

Martin Won the Big Race by Twenty-live NEW YORK, Oct. 24.—The six days' bicycle race ended at 10.13 p.m., and the scores of the contestants then were as follows: Martin, 1466 miles 4 laps; Ashinger, 1441 miles 1 lap: Lamb, 1362 miles; Schoch, 1328 miles 5 laps; Albert, 1308 miles 4 laps; Boyst, 1301 miles

CHAS. S. BOTSFORD 5 laps.
At 6 o'clock this morning Albert and Boyst At 6 o'clock this morning Albert and Boyst collided. They were both asleep on their bicycles. They fell in a heap on the track and everybody thought they had been seriously injured. When the trainers reached the spot where the riders had fallen they found both men fast asleep where they fell. They were picked up and placed on their bicycles and started off again.

Since the race began Martin has only slept 10 hours, and has only been off the track 16 hours.

Champion Martin.

Martin, the determined little rider who made such in an excellent showing in the six-day race, has been called an Irishman, but is really more of an American, having come to this country when only 3 years old. He hails from Detroit and was at one time a regular in the United States army, having enlisted at Fort Omaha, Nebraska, in 1887. He got an honorable discharge from the army on account of an injury which he received in the service. Atterward he took up cycling as a means of recreation and has participated in a number of short distance races. He is a strict temperance man and does not drink, smoke or chew.

Martin, the determined little rider who made such in establishment of the sample of the samp of account of an American, having come to this country when only 3 years old. He price all around. You wish.

There was a good turn out of the members of the club on Saturday for practice, the weather was everything that could be desired for the game and the ground was in excellent condition. From the scores made it is expected that the competition for the Hunter gold championship medal which takes place next Saturday will be a keen one. On the following Saturday the Niagara silver trophy at present held by the club will be played for.

Such complexions as so many of our young iadies possess—dull, pimply, and covered with sores and blackheads, is enough to cool the ardor of the warmest lover. To safe hyoung ladies we would say, that you can never have a soft, fair, smooth, art active, kissable complexion, unless your blood is healthy and pure, for the condition of the blood decides the complexion. Dr. Pierce's Golden Medical Discovery will purify your blood, tone up your system, and drive away those distressing headaches and backache, from which you suffer periodically, and give you a complexion ally or rose-leaf might envy.
