A FARM IN THE WEST. TO OWN A farm home is the desire and ambition of most people. It is easier to get a farm home in the Prairie Provinces of Canada because fertile farm lands, suitable for grain growing, dairying or stock raising can be bought at prices averaging \$18 an acre, and on terms of payment spread over twenty years, with lighter payments at the beginning, so as to enable farmers with moderate capital to get a good start. Do not miss this wonderful opportunity. Investigate now. A post card will bring you all the information you desire. Write W. La Due Norwood, C. P. R. land agent, Windsor Station, Montreal, Quebec.
