### From Old Subscribers.

Mr. W. H. Stewart writes from Roulean, Sask., on April 20:—The weather is bright and promising for seeding. The farmers commenced the 13th, and the ground being in splendid shape the prospects are that they will be through by the last of the month. The Warwick people around here are all well, and from appearances are prospering in this great West. Am sorry to hear through the Guide of the death of several old acquaintances of mine, notably Alex. Laird, and last week of John Reynolds, particular friends of mine while in Warwick.

## BANISH PIMPLES AND ERUPTIONS

In the Spring Most People Need a Tonic Medicines.

One of the surest signs that the blood is out of order is the pimples, unsightly eruptions and eczema that come frequently with the change from winter to spring. These prove that the long indoor life of winter has had its effect upon the blood, and that a tonic medicine is needed to put it right. Indeed there are few people who do not need a tonic at this season. Bad blood does not merely show itself in disfiguring eruptions. To this same condition is due attacks of rheumatism and lumbago; the sharp stabbing pains of sciatica and neuralgia; poor appetite and a desire to avoid exertion. You cannot cure these troubles by the use of purgative medicines—you need a tonic, and tonic only, and among all medicines there is none can equal Dr. Williams' Pink Pills for their tonic, life-giving, nerve-restoring powers. Every dose of this medicine makes new, rich blood which drives out impurities, stimulates every organ and brings a feeling of new health and energy to weak, tired, ailing men, women and children. If you are out of sorts give this medicine a trial and see how quickly it will restore the appetite, revive drooping spirits, and fill your veins with new, health-giving blood.

You can get these Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

### Will Not Take C. T. A. Vote

Petrolia, April 23.—Mayor Stewart, who is president of the Lambton branch of the Dominion Temperance Alliance, stated tonight that Lambton would not vote this year on the Canada Temperance Act. This was decided at the executive meeting of the Lambton Alliance this afternoon in Sarnia. It was decided to organize local temperance unions throughout Lambton, and each municipality will as a result be well organized for the temperance movement. Rev. John Bailey, of Toronto, secretary of the Dominion Alliance, was present and addressed the meeting.

Miss Minnie Smith, Strathroy, died at the home of her mother on Sunday. The family formerly resided in Arkona.

The fish hatchery at Point Edward has completed the hatching of about sixty million whitefish, which are now being deposited in various parts of Lake Huron between Point Edward and Kettle Point. As soon as all the young whitefish have been disposed of, the hatchery will begin upon the hatching of pickeral.
