## THE HYDROMAGEN, OR WATERPROOF, ANTI-CONSUMPTIVE, CORK SOLES.

Manufactured by  
**HARCOURT, BRADLEY & CO.,**  
44 MARKET ST. MANCHESTER,  
Principal Warehouse, 102 Wood Street,  
Cheapside, London, England.  
American Establishments, 35 Ann Street  
and 102 Nassau Street, New York,  
United States.

The Hydromagen is a valuable discovery for  
protecting the feet from damp or cold, and there-  
fore a preventative of many Lung diseases, with-  
out any doctoring whatever. The Hydromagen is  
in the form of a sole, and worn inside the boot or  
shoe. Its medicated character is a powerful anti-  
dote to disease.

For Gentlemen it will be found agreeable, warm,  
and healthy, to wear in the coldest or rainiest  
weather, as the foot cannot become wet if the Hy-  
dromagen is inserted. Ladies may wear the light-  
est soled boots or shoes in the most inclement  
weather with impunity; while Consumption, so  
prevalent among the young of our country, may  
be thwarted by their general adoption. They en-  
tirely supersede over-shoes, as the latter cause the  
feet to perspire in a very unhealthy manner; and,  
besides, are not dangerous wear to pedestrians in  
icy weather, like India rubbers. While the latter  
cause the feet to appear extremely large, the Hy-  
dromagen, being a mere thin slice of cork pre-  
pared, peculiarly placed inside, does not increase  
the size of the foot, or cause the foot to appear  
untidy. To Children they are extremely valuable,  
as they may engage in exercise with comfort and  
healthy effects. Their expense is so slight as to  
scarce need mention; besides, those who patron-  
ize them will find their yearly doctor's bills much  
diminished thereby.

As the Hydromagen is becoming more known,  
its sale is increasing to an almost incredible extent.  
Last year in London, Manchester, Birmingham,  
Liverpool, Glasgow, Leeds, Dublin, Paris, Ant-  
werp, Hamburg and Berlin, our sales reached  
1,752,450 pairs of Cork Soles. This year the num-  
ber will far surpass that.

Ask the Faculty their opinion of their value as a  
preventative for Coughs, Colds, BRONCHITIS,  
ASTHMA, and Consumption.

Men's Size, per pair, 35 CENTS.  
Ladies' do. do. 30 do.  
Boys' & Misses' do. 25 do.

Notice.—From the Retail Prices we make a  
very liberal allowance to Jobbers and Wholesale-  
men, so that any storekeeper may make a fine profit  
on their sale, while they are an article that  
may be kept in any store, among any class of  
goods.

### THE CHEST.

**Sir Astley Cooper, Bart.,  
M. D.**

THE EMINENT MEDICAL PRACTITIONER, HAS LEFT A  
VALUABLE LEGACY TO THE WORLD IN HIS  
Great Preventative of Consumption.

INHALING CURE FOR PULMONARY DISEASES,  
WITHOUT THE USE OF MEDICINE.  
Sir A. C. Bart., invented and advised the use of this  
MEDICATED FUR CHEST  
**PROTECTOR.**

To all persons of all ages and conditions, as  
a certain and a safe shield against those  
feared diseases, Consumption, Bronchitis,  
Asthma, Coughs, Colds, and other affec-  
tions of the Lungs, which arise from the ex-  
posed state of the chest, according to fashion,  
and the continual changes of our climate.  
The Protector is simply a chemically pre-  
pared fur, lined with silk and padded, which, sus-  
pended from the neck, covers the chest, in so  
agreeable a manner, that, once worn, it becomes a  
necessity and a comfort.

"The Protector," although but recently  
introduced into America, is making rapid  
progress through the United States, the  
Canada, South America, and the West  
Indies. "It has for a long time been a staple  
article in England and on the Continent of  
Europe, while it has grown in many coun-  
tries to the position of an article of dress.  
To demonstrate these facts require of any Eng-  
lish resident in your vicinity of his knowledge of  
the beneficial effects of wearing the Protector,  
without recourse to doctoring of any kind. The  
cost of wearing these articles is a mere trifle, and  
one will last some years. No one who values the  
health of himself or his family will be without  
them. The Hospitals in this country are not alone  
recommending them, but rapidly introducing them.  
Harcourt, Bradley & Co. of London, and Man-  
chester, England, were originally entrusted with  
the manufacture of the Protectors, by the Emi-  
nent Dr. Cooper, and continue to manufacture ac-  
cording to his original instructions, and therefore  
recommend those who would wear "The Pro-  
tectors," to see to their being genuine.

REMEMBER THIS IS A STAPLE ARTICLE, and  
no Patent Medicine.

### THE ALL-HEALING REMEDY!!!

#### Holloway's Ointment.

A most astonishing cure of Scrofulous Ul-  
cers—a case certified by the Mayor of  
Boston.

Copy of a letter from J. Noble, Esq., Mayor  
of Boston, Lincolnshire.

To Professor HOLLOWAY,  
Dear Sir,—Mrs. Sarah Dixon, of Liquor-  
pond street, Boston, has this day deposed  
before me, that for a considerable time she  
was severely afflicted with Scrofulous Sores  
and Ulcers in her arms, feet, legs, and other  
parts of her body; and although the first  
of medical advice was obtained, at the cost  
of a large sum of money, she obtained no  
abatement of suffering, but gradually grew  
worse.

Being recommended by a friend to try  
your Ointment, she procured a small pot,  
and a box of the Pills, and before that was  
all used, symptoms of amendment appeared.  
By persevering with the medicines for a  
short time longer, according to the direc-  
tions, and strictly adhering to your rules, as  
to diet, &c., she was perfectly cured, and  
now enjoys the best of health.

I remain, dear Sir, your truly,  
(Signed) J. NOBLE.

Dated August 12th, 1852.

An extraordinary and rapid cure of Erysip-  
elas in the leg, after medical aid had  
failed.

Copy of a letter from Mrs. Elizabeth Yeates,  
of the Post Office, Aldwick Road, near  
Bognor, Sussex, dated Jan. 12th, 1853.

To Professor HOLLOWAY.

Sir,—I suffered for a considerable period  
from a severe attack of Erysipelas, which  
at length settled in my leg, and resisted all  
medical treatment. My sufferings were  
very great, and I quite despaired of any  
permanent when I was advised to have re-  
course to your Ointment and Pills. I did  
so without delay, and am happy to say the  
result was eminently successful, for they  
effected a radical cure of my leg, and re-  
stored me to the enjoyment of health. I  
shall ever speak with the utmost confidence  
of your medicines, and have recommended  
them to others in this neighbourhood simi-  
larly afflicted, who derived equal benefit.

I am, Sir, your obliged and faithful servant,  
(Signed) ELIZABETH YEATES.

A dreadfully diseased Ankle cured after  
being given up by the Faculty at Malta  
and Latakia Hospitals.

July 19, 1854.

The following important communication  
has been forwarded to Professor Holloway,  
for publication, by Mr. B. Dixon, Chem-  
ist, King St. Norwich.  
Copy of a letter from Captain Smith, of  
Great Yarmouth, dated January 19, 1853

To Mr. Dixon,

Dear Sir,—I send you the particulars of  
a cure effected by Professor Holloway's in-  
valuable medicines.—Mr. John Walton  
late in Her Majesty's Service, in the British  
fleet at Malta, had a very bad ulcerated  
ankle, and after being in the Malta Hospi-  
tal for six months, was sent to England, as  
invalid to Portsmouth Hospital, where he  
remained an inmate four months, the  
at Malta refusing to have the limb amputat-  
ed, he was turned out incurable. He then  
came to Yarmouth, and was under a medi-  
cal gentleman for about three months but  
his ankle became so much worse that al-  
though he tried Holloway's Ointment and Pills  
which by unremitted application, healed  
all the ulcers, and restored him to per-  
fect health and strength.

I remain, dear Sir, your very truly,  
(Signed) JOHN SMITH

Surprising cure of a bad Breast, Nervous  
Debility, and general ill health.

Copy of a letter from Mr. T. F. Ker, Chem-  
ist, &c., Lower Moss Lane, Manchester,  
dated Feb'y 12th, 1853.

To Professor HOLLOWAY,

Dear Sir,—I have great pleasure in for-  
warding to you the particulars of a very  
extraordinary cure of a bad breast, effected  
solely by the use of your celebrated Oint-  
ment and Pills. Mrs. Maria Bell, of Es-  
sex street in this town, had been for a con-  
siderable time labouring under nervous debi-  
lity, loss of appetite, and general ill health,  
occasioned by ulcerated wounds on her  
breast. She had much experience of the  
various known remedies for these  
use of age, but without any beneficial result  
of ulceration had nearly lost all faith in  
in fact at a season when the weather was  
hope of a cure. When this vessel was  
tossing and painful condition of body and  
mind, she was persuaded to have recourse  
to your invaluable Ointment and Pills,  
which she immediately did, and in the  
course of a very short time the effect pro-  
duced was most astonishing; her appetite  
was speedily improved, the sores and ulcers  
in the breast gradually healed, and her  
nervous excitement of her system was  
wholly removed.

I remain, dear Sir, your faithfully,  
(Signed) T. FORSTER KEENE
