**THE BAIN WAGGON**

IS THE

FARMERS'

FAVORITE

**BECAUSE IT IS THE LIGHTEST RUNNING WAGGON MADE.**

No inferior iron is used, and special attention is paid in ironing it off. The wheels before the tire is put on are thoroughly saturated in boiling linseed oil, which is a sure preventative for loose ties. The patent arms made from our own patterns are superior to those made by other makers. All material used in painting it is of the finest quality, which gives it a superior finish. Every waggon is inspected in all its parts by one of the members of the company before being sent out. It is just as represented every time.
