Mention The Canadian Horticulturist when writing.

The way our trees are handled before shipping, to insure dormant stock and not permit their drying out.

## McPIKE GRAPE

We have a few hundred vines of this New Black Grape still unsold. Fruit very large, having all the qualities of the Worden. Easily the best grape grown.

## RHUBARB AND ASPARAGUS

Do not let this season go by without setting a sufficient quantity for family use or to sell in your nearest market.

Write for Prices or Catalogue.
