

ANOTHER YEAR HAS PROVEN THAT NIAGARA BRAND LIME SULPHUR SOLUTION

Stands without a peer among commercial spray materials for convenience, effectiveness, and the economical control of

SAN JOSE SCALE

and kindred sucking insects; Apple Scab, Peach Curl, and other Fungus diseases. It has been so extensively used the past season throughout the U.S. and Canada that its efficiency is no longer doubted—it is fully endorsed by State and National experts. It is THE GREAT all around cleaning up spraying material for everybody having to spray. It contains a larger amount of Soluble Sulphur than any similar product.

Send for full description and prices, and your nearest selling agent.

We are also manufacturers of a very high grade Arsenate of Lead—FULLY GUARANTEED—at prices that will surprise you if order can be placed at once.

OUR TREE BORER PAINT

absolutely controls one of the worst pests with which orchardists have to contend; non-injurious to trees; is convenient and economical.

Our Orchard, Park, Nursery and Green House Sprayers still stand in a class by themselves and are leaders in their line.

Descriptive Catalog, etc. Free for the asking.
