

## COAL MINING MACHINERY.

Our Coal Mining Machinery has this summer been thoroughly tested in several mines in Cape Breton, and has proved **BY ACTUAL TEST** to be superior to that of all other makers.

**SERGEANT'S PISTON INLET AIR COMPRESSOR.**

**SERGEANT'S COAL MINING MACHINE.**

For results of tests above referred to and further information in mining, apply to manufacturers,

**THE INGERSOLL ROCK DRILL COMPANY  
OF CANADA.**

203 ST. JAMES STREET, MONTREAL.
