

**FLINT, DEARBORN & Co.,**  
**Challenge Baking Powder,**

For making light and nutritious Bread, Cake, Pastry, &c. without the use of Soda, Cream Tartar, or Yeast.

Is warranted superior to any other Bread Preparation; makes the lightest, sweetest and most wholesome Bread possible, and much quicker than by any other process. Is also a great saving of Butter or *shortening* in Pastry.

Observe our Trade Mark and Name, on the Tins.

**FLINT, DEARBORN & Co.'s**  
**PULVERIZED HERBS**

**Sage, Summer Savory & Sweet Marjoram.**

Much labor, waste and expense will be saved by using our Pulverized Herbs. Being in powder they can be used as readily as any kind of Spice making food in which they are used much more presentable and palatable than by the old process of pounding or sifting. They are put up in neat tins, thus preserving their full strength for any length of time.

Every good House Keeper will endorse our statement on trial.

**FLINT, DEARBORN & Co.'s**  
**CELEBRATED**  
**DANDELION COFFEE.**

A very healthful, palatable, and economical beverage, highly recommended by the Medical Faculty. (from whom we have numerous testimonials,) as an excellent Anti-Bilious preparation, and especially recommended for the use of Dyspeptics and those suffering from Liver and kindred diseases. No trouble or expense has been spared to bring it to its present standard of excellence, and it is now confidently recommended to the public as superior to any preparation of Dandelion in the market. It requires but half the quantity generally used of Java Coffee, (some use but one third.) It will be found fully as palatable, and produce none of the unpleasant effects frequently experienced from the use of Java Coffee.

It is sold by all the Druggists and Grocers, at 25 cents per pound. Thus making it the cheapest, as well as the most wholesome and palatable breakfast beverage.

A trial will substantiate the above facts. Inquire for it at your Druggists or Grocers. they do not have it, a trial sample will be sent free to your address on application to
