PIANOS.

A few extracts from the numerous endorsements by the leading artists of the world, as to their superiority:—

"The pianoforte of your make used at my last Concert is the most admirable instrument I have ever seen.

Please send to my address in London one of your Upright Pianos. This, I think, is the best endorsement of your instrument I can give you."

CHRISTINE NILSSON.

"Neither in Europe nor in America have I seen an Upright to equal yours."

ELILKE GERSTER GARDINI.

"In all the qualities an artist can require your Upright Pianos surpass anything I have ever seen."

SOFIA SCALCHI.

"It is superior in quality of tone and evenness of action to any instrument I know of."

CLARA LOUISE KELLOGG.
