

PUBLISHER'S DEPARTMENT.

THE people of the west owe a debt of gratitude to Dr. Ayer for the production of Ayer's Ague Cure. Its timely use will save much suffering and much discouragement, and we recommend it with the greatest confidence in its ability to do all that is promised for it.

FOR all purposes of a Family Medicine, Hagar's Yellow Oil is at the head of the list. It is used with unprecedented success, both internally and externally. It cures Sore Throat, Burns, Scalds, Frost-Bites; relieves, and often cures Asthma.

NOTICE. THE Financial Association OF ONTARIO.

The dividend for quarter ended March 31, at the usual rate of EIGHT PER CENT per annum, on the PREFERENCE AND ORDINARY CAPITAL, will be payable on the 23rd inst.

Another quarterly dividend will be declared in July next after which, dividends will be paid half-yearly, in January and July. It has, heretofore, been deemed advisable to do so quarterly, as shareholders and intending subscribers would, naturally, wish to have the opportunity, at moderate intervals, of ascertaining the degree of success the Company was meeting with, and it was in the interest of all concerned that the information should be supplied. The Directors consider the profitable character of the business of the Company has now been completely established, and they are of opinion the payment of dividends, oftener than half-yearly, would not, hereafter, be worth the expense and labour a large and constantly increasing list of shareholders would entail.

The issue price of Preference stock has been advanced to THREE AND A HALF PER CENT. premium, equivalent, at the minimum rate of dividend, to a return of 7 1/2 per cent. per annum, on the amount invested.

The amount of stock now subscribed, and applied for, exceeds a quarter of a million dollars, on which an average of over forty per cent. has been paid in.
