PHRENOLOGY.

It is often supposed that Phrenology is in opposition to true religion, but there never was a greater mistake. There is no science that more clearly points out that man is a religious being, and that the Creator designed him for an intelligent worshipper. In the hands of a competent phrenologist, there is nothing more calculated to improve and elevate any individual than a careful examination. A WALLACE MASON has made the subject a life study. 12 QUEEN STREET WEST, TORONTO.
