

## "THE BISMARCK OF CANADIAN METHODISM."

Such was the title bestowed upon the Rev. Geo. Douglas by Lord Dufferin, when Governor General of the Dominion. *The Outlook*, New York, says Dr. George Douglas was one of the most remarkable men on the American continent. Whether he was considered as a theologian, an orator, a patriot, a reformer, an educator, or a Christian man, he was one of the brightest ornaments of his country and his Church. Early in his life he became totally blind. In addition to that, the muscles of his face were partially paralyzed. Yet, with all this affliction, he was one of the most brilliant orators and most inspiring personalities in the Methodist Church of the world. Those who heard him during the Ecumenical Conference of Methodists in Washington will never forget the marvellous power which he sometimes had over his audiences. His style was rich and lofty. Shut out from the world, his spiritual eye seemed to see truth with a clearness seldom given to men. Those who have often heard him say that at times he seemed unconsciously to speak in blank verse, and some passages from his addresses read like poetry of the purest type. Wherever he was known, on both sides of the sea, he was regarded with admiration almost deepening to reverence, and with affection which none cared to disguise. — *Witness*.

Emotion which does not lead to and flow out in right action is not only useless, but it weakens character and becomes an excuse for neglect of effort. — *Tyron Edwards*.
