

the circle. The success of the work as a whole depends in great measure upon these points.

* * *

Those of our readers who intend to have their MESSENGER bound will be supplied, on demand, with an index and a title page for 1892.

* * *

As we have soon to make our yearly report to the General Director of the League and Apostleship, we earnestly beg Local Secretaries to provide each circle with Promoters' blanks, and see that the names of the Promoters and Associates be correctly written thereon, with their respective addresses, and the degrees to which they belong specified.

* * *

The above mentioned lists, which we are anxious to receive before the end of January, have nothing to do with the registration of new Associates, but should contain all the names on the circle, both of new Associates and old. The names of new members are sent in at any time during the year, written on ordinary slips of paper, and *these alone* should be marked "*For Registration.*"

Some have asked us for quite a number of cards with the relics of Our Canadian Martyrs for local distribution. As we have gone to considerable expense to have them struck off, with the short notice on the reverse, it is scarcely necessary to remind them that a small offering would help to defray the cost incurred. Design, printing, postage and all : they come to about sixty cents a dozen. Separate cards are sent of course, as heretofore, gratuitously to those unable to make an offering.
