TO THE WORKING CLASS—We are now prepared to furnish all classes with constant employment at home, the whole of the time or for the spare moments. Business new, light and profitable. Persons of either sex easily earn from \$1c. to \$5 per evening, and a proportional sum by devoting their whole time to the business. Boys and girls earn nearly as much as men. The tall whose this notice may catch their address, and test the business, we make this unqualified offer: To such as are not well-entitled, we will send \$1 to pay for the trouble of writing. Full particulars, a valuable sample which will do to commence work on, and a copy of *The People's Learning Companion*—one of the largest and best family newspapers published—all sent free by mail. Readers, if you want more of this profitable work, address E. C. ALLEN & CO., AUGUSTA, MAINE.
