

## QUEEN'S UNIVERSITY AND COLLEGE.

The thirty-second Session commenced on the first of October. Copies of the Calendar for 1873-4, giving full information as to fees, scholarships, course of study, &c., may be obtained from the Registrar, Professor Mowat.

The congregation of Dundee has subscribed to the Endowment Fund \$444, and it is expected that further subscriptions will bring up this amount to \$500.

The total amount collected for the Fund, according to the Treasurer's report in this number, is \$100,748.10. About \$10,000 subscribed yet remains unpaid. Of course no one intends to repudiate the obligation to pay his subscription, and it is most important and desirable that all engagements should be fulfilled without delay. Let the present season, when money usually circulates freely, be embraced by all concerned to make good their promises, so that the friends of the College may rejoice in the completion of that to which they have put their hands.

## Acknowledgments.

REV. JAMES FRASER,  
*Chelsea, Que.*

## Royal College of Physicians & Surgeons.

IN AFFILIATION WITH QUEEN'S UNIVERSITY, KINGSTON.

The Session began on the first of October, 1873.

**S**TUDENTS attending this College may obtain either the degree of M.D., or the License of the College. Certificates of attendance are recognized by the London and Edinburgh Colleges. The new College building is commodious and convenient. Unequaled facilities are presented for the study of Practical Anatomy, and great advantages are afforded for Clinical instruction at the General Hospital and Hotel Dieu.

Information may be had on application to the Registrar.

FIFE FOWLER, M.D., L.R.C.S., Kingston.
