MATRICULATION.—Students from Ontario and Quebec are advised to pass the Matriculation Examination of the Medical Councils of their respective Provinces before entering upon their studies. Students from the United States and Maritime Provinces must present themselves for the Matriculation Examination of the University, on the first Saturof October, or the last Saturday of March.

LECTURES.—Five Lectures a week are given in the seven principal branches of Medicine. Oral examinations are held weekly, and written ones at various times throughout the Session.

HOSPITALS.—The Montreal General Hospital has an average number of 150 patients in the wards, the majority of whom are affected with diseases of an acute character. The shipping and large manufactories contribute a great many examples of accidents and surgical cases. In the out-door department there is a daily attendance of between 75 and 100 patients, which affords excellent instruction in minor surgery, routine medical practice, venereal diseases, and the diseases Clinical clerkships and dresserships can be obtained on application to the members of the hospital staff.

UNIVERSITY DISPENSARY.—This was established three years ago for the purpose of affording to senior students practical instruction in diseases of women, and has proved very successful. This year two other special departments have been added, viz.: diseases of children and diseases of the skin.

CLINICS.—The clinical teaching is conducted in the wards and theatre of the General Hospital, daily, throughout the Session. Ample opportunitiés are afforded to the Student to investigate the cases, medical and surgical.

THE DISSECTING ROOM is large, well ventilated and abundantly provided with material. The demonstrators are skilled teachers, trained in the best anatomical schools of Europe, and are in attendance daily from 10 to 12 a.m., and from 8 to 10 p.m.

One of the three large class-rooms has been converted into a Physiological Laboratory, and has been equipped with modern apparatus.

REQUIREMENTS FOR DEGREE.—Every Candidate must be 21 years of age, must have studied medicine four years, one Session being at this School, and must pass the necessary examinations. Graduates in Arts of recognized Universities and students who produce evidence of having studied a year with a physician subsequent to passing the Matriculation Examination, can qualify for examination after attendance on three Sessions.
