SIR HENRY HALFORD'S IMPERIAL BALM, FOR THE CURE OF RHEUMATISM, ACUTE OR CHRONIC, RHEUMATIC GOUT, NEURALGIA, AND DISEASES OF THAT CLASS.

THIS extraordinary and potent compound is made according to a favorite prescription of the above eminent Physician. Sir Ashley Cooper, also, frequently referred his students to the compound as eminently calculated for the cure of Rheumatism, and other diseases of that class.—Its ingredients are entirely from the Vegetable Kingdom, and if any medicine could legitimately be denominated a specific, this remedy is preeminently entitled to that appellation. But the Proprietor does not believe in INFALLIBLE SPECIFICS for the cure of any disease; yet his confidence in this medicine is such as to supply it on the condition of no cure no pay—that is, the money shall be returned in every case where it fails to effect a cure. Its success in the cases where it had a fair trial in this city, has been perfectly satisfactory. The following case is published by permission of the party.

Toronto, 14th December, 1848.

Sir,—Having for a considerable time severely suffered from an attack of Rheumatism, in my right arm and side, I applied to one of our respectable Physicians; but his treatment was of no permanent benefit to me. I was, therefore, induced to procure a bottle of your IMPERIAL BALM, which has completely cured me, having now been perfectly free from any kind of pain for twelve months. You may use this communication as you think proper, and refer enquirers to

Yours, very gratefully, GEORGE CLEZIE, Cabinet-Maker, No. 4, Adelaide Street, East. Price 2s. 6d., 3s. 9d. and 5s. per Bottle. The above Medicine is for Sale by S. F. URQUHART, General Agent, 69, Yonge Street, Toronto.

Dear Sir.—Being for the last four years subject to several attacks of Rheumatism, Gout, or Rheumatic Gout,—I know not which; and having tried many remedies, prescribed by different parties, I have now no hesitation in stating that your Medicine, called SIR HENRY HALFORD'S IMPERIAL BALM, has stopped the complaint in the preliminary stages, four times over, in a few hours. Indeed, although you prescribe it to be taken four times a-day, I have never had to resort to it more than twice. Not only myself, but some friends to whom I have given some, were similarly relieved;—and in no case have I found it to fail. This is the first FALL, for four years, I have escaped the affliction, and which I attribute, under Providence, to the use of your Medicine. JOHN CRAIG, Painter and Glazier. 76, KING STREET, WEST, Toronto, 16th December, 1849.

A Case of Chronic Rheumatism of fifteen years standing, cured by Halford's Balm and Hope's Pills.

Toronto, 14th December, 1848.

Dr. URQUHART: Dear Sir,—I heroby certify, that I have been afflicted with Rheumatism for fifteen years; for a considerable time I was confined to bed, and the greater part of that time I could not move myself; some of my joints were completely dislocated, my knees were stiff, and all my joints very much swelled; for the last three years, I was scarcely able to do three month's work without suffering the most excruciating pains, I was doctored in Europe by several physicians of the highest standing in the profession as well as in this province, I was also five months in the Toronto Hospital, and, notwithstanding all the means used, I could not get rid of my complaint, indeed I was told by a very respectable physician that I never could be cured, so that at the time my attention was directed to your SIR HENRY HALFORD'S IMPERIAL BALM, for the cure of Rheumatism, and Rheumatic Gout—and Dr. HOPE'S PILLS, I was despairing of ever getting cured; when I called on you, I was hardly able to walk, and what was almost miraculous, in three weeks from my commencing to take your medicine, I gained fourteen pounds in weight; my health was much improved, and in about three weeks more my Rheumatism was completely gone and my health perfectly restored. I now enjoy good health as any man in Canada. Since my recovery I have walked forty-six miles in one day with perfect freedom, and I assure you, Sir, that I feel truly thankful. You can make any use of this your please; my case is known to several individuals of respectability in this city their names you know and can refer to them if necessary.

Yours, truly and gratefully, THOMAS WRIGHT.

Parties referred to, William Goodellham, William Osborne, Samuel Shaw, Esquires.

DR. JAMES HOPE'S VEGETABLE PURIFYING HEALTH PILLS.

Dear Sir,—You may very safely and with every confidence recommend the above PILLS, as a very superior Medicine in cases of Indigestion, Bilious Attacks, Sick Headache, Giddiness, Loss of Appetite, Lowness of Spirits, with sensation of Fulness at the Pit of the Stomach, Pains between the Shoulders, Acidity in the Stomach and Bowels, Flatulency, Spasms, Heartburn, Dimness of Sight, Drowsiness, and the Distressing feeling arising from Debility and Indigestion.

All these diseases have each something in common, each some principle of continuity, which, amid all their apparent variety, establishes their unity of type, one remedy alleviates or cures them all; and that remedy is

DR. HOPE'S PILLS.

They are the very best remedy, and can be taken at any time, without any danger from wet and cold, requiring no restraint from business or pleasure; they act mildly on the bowels, without pain or griping, giving strength to the stomach, and promoting a healthy action of the liver, by which they prevent and cure Jaundice and Dropsy, clear the skin, remove Sallowness and Pimples, purify the Blood, brace the Nerves, and invigorate the whole system. Females at a certain age should never be without them.

BUTLER & SON, Cheapside, London. From what I know of the above PILLS, I can unhesitatingly recommend them as a valuable Medicine, especially for the diseases mentioned above.

S. F. URQUHART, YONGE STREET, TORONTO, General Agent in British North America.
