

JOHN LABATT,

LONDON, ONT.

Received the highest awards for purity and excellence at Philadelphia, 1876; Canada, 1876; Austria, 1877; and Paris, 1878. Rev. P. J. Ed. Page, Professor of Chemistry, Laval University, Que., says: "I have analyzed the India Pale Ale manufactured by John Labatt, London, Ont., and have found it a light ale, containing but little alcohol, of a very agreeable taste and superior quality, and compares with the best imported ales. I have also analyzed the Porter XXX Stout of the same Brewery, which is of an excellent quality; its flavor is very agreeable. It is a tonic more energetic than the above Ale, for it is a little richer in alcohol, and can be compared advantageously with any imported article. James Good & Co., Agents, Toronto.
