Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.

Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will, prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

A BOUQUET

VIOLETS AND WATER LILLIES

Extale an exquisite fragrance, agreeable to the most fastidious, but in the Florida Water of Murray most fasticious, our in the Florida water or murray that we are confined; in it we have the full fragrance of a whole bouquet of blooming tropic flowers.

MOSS ROSE AND JASMIN

Exquisite in their odors, are jet poor by comparisoa with the clouds of incense that arise from Marand with the close Florida Water, so justly styled The Queen of Floral Perfumes'

ORANGE FLOWERS AND HONEYSUCKLE.

Delightful in the pure delicacy of their sweet breath, but faint and rading when compared with the refreshing and streng hening perfame of Murry & Lanman's Florida Water. PRIMROSES AND HELIOTROPE.

Full of sweet perfume, and agreeable to many, but

void of those important by gienic properties which make Murray Lanman's Florida Water so welcome in a sick-room. DAISIES AND BUTTERCUPS. Nature's every day perfumes, exhaling floral incense familiar to us all but from which we turn eag.

erly away to the moregreficed, delicacy of fragrance of Murray & Lanman's Florida Water.

LAVANDER AND MAGNOLIAS, Rich with heavy perfume, but not invigorating por refreshing, and so sweet that the sense of smell soon cloys, and longs for the simple freshness of Murray

& Lanman's Florida Water

SWEET BRIER AND CLOVER BLOOM Bringing memories of country life and exhaling a

perfume pure and delicate, but lacking uniformity and permacence so marked a feature in Murray & Lauman's Florida Vater. MIGNONETTE AND DAFFODILS. Of poetic celebrity, sweet and pleasant in the perfome but still only the perfume of single flowers,

In Murray & Lanman's Florida Water we have the combined fragrance of more than all these final beauties; We have the unapproachable richness of the far off tropic flowers made permanent, and giv-ing justly to the exquisite Toilet-Water the title of
