## FACTS, NOT ESTIMATES.

### POLICY No. 71,982

Was issued to Mr. John Thom, of Toronto, on the Ten Year Endowment plan, March 17th, 1870, for \$1,000, and paid to him March 17th, 1880. He did not have to die to win, though the \$1,000 would have been PROMPTLY PAID to his family, if he had died any time during the ten years. The annual premium was \$93.65, but the annual dividends reduced the payments to a total of ONLY \$83.10. Not only therefore did Mr. Thom have his life insured ten years WITHOUT ACTUAL COST, but for his \$83.10 he received a round \$1,000—a POSITIVE gain of 20 PER CENT.

### POLICY No. 25,487,

An Endowment Policy for \$5,000 was issued in 1866, and paid to himself in 1880, on the Life of Henry L. Greene, of River Point, R.I. Term, 14 years. Premium, \$429.30. But the annual dividends reduced the net deposits of premium to \$3,865, showing free insurance for \$5,000, and \$1,135 to the good, being a gain, as an investment, of NEARLY 30 PER CENT., after defraying the cost of fourteen years' insurance.

### REV. MILTON WALDO,

Of Watkins, N.Y., purchased an ETNA 10 year Endowment Bond for \$2,000 in 1869, agreeing to pay for it by five annual instalments of \$337.10 each, or a total of 1,695 50  
But his annual cash dividends reduced the net instalments or deposits to 1,411 46  
For which he received in 1879 the 2,000 00  
Showing free insurance 10 years, and a clean profit of 588 54  
Which is a gain of over Forty per cent. upon his money, besides the Life Insurance.

Many young companies have at different times sought notoriety and patronage, and got both for a time, by insuring at less rates, or promising or paying larger dividends, while they lasted, than the

### ETNA LIFE INSURANCE CO.,

but this company has celebrated its 30th Anniversary with Assets of \$25,000,000, while none of such wonderful companies are now mentioned in the Official Reports in Canada or the States. Four recently disappeared from Canada—the “Globe” and “Atlantic” of New York, the “Stadacona” of Quebec, and the intensely mutual “Acadia Provident” of Halifax. Most of such companies die of the same trouble as afflicted the frog—temporary inflation at the expense of future vitality.

The ETNA furnishes SECURITY as well as Life Insurance, and returns ALL THE PROFITS thereon to the members of its Mutual Department. Reader, if you are now in good health (for none others can avail themselves of this form of investment and life insurance combined,) make application for a Policy without delay.
