

## NOTICE

The information provided in this document was prepared by the Peat Marwick Consulting Group for the Department of External Affairs. It is based on official U.S. Government trade statistics and the results of a limited survey of U.S. trade associations and corporate contacts. Peat Marwick is responsible for the analysis and conclusions in this report.

Peat Marwick Consulting Group and the Department of External Affairs advise that this report should not be relied upon as a representation of the future prospects of any specific opportunities that are pursued. Each company must rely upon its own inspection and investigation in order to satisfy itself as to the extent and nature of any opportunity that may be identified from either this document or any of the individual sector reports referenced in it.

The Department of External Affairs is ready to offer individual counselling and advice to any company wishing to pursue the opportunities identified either in these studies or through the department's other market development programs.
