

The DND released the results of two other questions from their poll concerning the role and the financing of the Canadian Armed Forces.

Asked to rate six possible roles or functions of the armed forces in order of priority respondents replied as follows:

	<u>Should be very high/high priority</u> %	<u>Should be top priority</u> %
Peacekeeping & emergency aid	82	32
Guarding sovereignty	77	14
Defence Preparedness	75	21
Economic and Technological Development	75	9
Training Young Canadians	70	10
Preventing Soviet Aggression Around the World	67	13

To a question as to whether outdated equipment should be replaced so that Canada could live up to its international commitments, or this should not be done because of economic difficulties even at the risk of weakening Canadian defences, the reply was as follows:

- should spend more money 70
- shouldn't spend more money 30
