

2. shall not be transferred beyond the jurisdiction of the Government of the Republic of Korea without the prior written consent of the Government of Canada;
3. shall be subject to appropriate measures of physical protection in order to prevent against unauthorized removal.

III. Administrative procedures shall be established jointly by the Canadian Nuclear Safety Commission and the Korean Ministry of Science and Technology to facilitate the implementation of this Note. These procedures shall include prior and post notifications of items transferred and retransferred subject to this Note, an annual inventory report of items that are subject to this Note. and, as appropriate, site visits.

IV. The provisions of this Note shall not be used for the purpose of securing commercial advantage.

V. Our Governments shall consult annually or at the request of either Government to ensure the effective implementation of this Note.

If the foregoing is acceptable to the Government of the Republic of Korea, I have the honour to propose that this Note, which is equally authentic in English and French, together with Your Excellency's reply to that effect, shall constitute an Agreement between our two Governments which shall enter into force on the date of Your Excellency's reply to this Note and shall remain in force as long as any items referred to in this Note remain in existence and may be amended or terminated by written agreement.

Please accept, Excellency, the assurance of my highest consideration."

I have further the honour to inform Your Excellency, on behalf of the Government of the Republic of Korea, that the Government of the Republic of Korea accepts the above proposal of the Government of Canada and to confirm that Your Excellency's Note and this reply, which is equally authentic in Korean and English, constitute an agreement between the two Governments on this matter which enters into force on this date.
