### Board of Education Scholarship—Value \$50

The members of the Board of Education have shown their personal interest in the Collegiate Institute by contributing money to establish the above mentioned Scholarship for the encouragement of work in the higher forms of the Collegiate. It will be awarded on the mid-summer examinations to the pupil standing highest on the Normal Entrance or Junior Matriculation, who intends to take up work for Faculty of Education or Honour Matriculation. Half of the money will be paid at the end of the Fall term and the remaining half at the end of the year if the pupil's work is judged to be satisfactory.

Winner in 1915—Theodore J. Sammon.
