

(B) Irregularities of Wear in the Teeth . . . . .	PAGE 275
The Angular or Sharp Mouth, the so-called Prognathous Jaw . . . . .	276
The Shear-like Mouth . . . . .	278
The Wave-formed Mouth . . . . .	280
The Step-formed Mouth . . . . .	281
Premature Wear of the Teeth . . . . .	282
The Smooth Mouth . . . . .	284
(C) Diseases of the Tooth Proper . . . . .	284
Dental Caries (Caries Dentium) . . . . .	284
Fissures and Cavities in the Teeth . . . . .	286
Dental Tartar (Cremor Dentium) . . . . .	287
(D) Diseases of the Alveoli . . . . .	289
Alveolar Periostitis (Periostitis Alveolaris) . . . . .	289
Alveolar Periostitis in Herbivora . . . . .	289
Alveolar Periostitis in Carnivora . . . . .	299
Dental Fistula . . . . .	301
Neoplasms of the Gums and Alveoli (Epulis) . . . . .	303
Dental Tumours . . . . .	305
III. DISEASES OF THE NOSE, NOSTRILS, AND THE SPACES COMMUNICATING WITH THEM . . . . .	305
(a) Wounds of the Ala of the Nostrils . . . . .	305
(b) Fracture of the Nasal Bones . . . . .	306
(c) Foreign Bodies and Tumours in the Nostrils . . . . .	307
(d) Diseases of the Frontal and Superior Maxillary Sinuses . . . . .	311
(e) Trephining the Superior Maxillary and Frontal Sinuses . . . . .	315
(f) Necrosis of the Turbinated Bones . . . . .	321
(g) Epistaxis (Bleeding from the Nose) . . . . .	323
IV. DISEASES OF THE SALIVARY GLANDS . . . . .	324
(1.) Wounds and Injuries of the Salivary Glands . . . . .	324
(2.) Inflammation of the Salivary Glands (Parotitis) . . . . .	325
(3.) Abscess Formation in the Sub-Parotid Lymph Glands . . . . .	328
(4.) Salivary Calculi . . . . .	330
(5.) Salivary Fistulae . . . . .	331
(6.) Tumours of the Salivary Glands . . . . .	335
(7.) Actinomycosis in the Parotid Region . . . . .	336
V. DISEASES OF THE FACE AND LOWER JAW . . . . .	340
(1.) Fractures of Bones of the Face . . . . .	340
(2.) Fracture of the Lower Jaw . . . . .	343
(3.) Dislocation (Luxation) of the Lower Jaw . . . . .	346
(4.) Inflammation of the Articulation of the Jaw . . . . .	347
(5.) Paralysis of the Muscles of Mastication. Paralysis of the Lower Jaw (so-called) . . . . .	349
(6.) Periostitis and Exostosis on the Posterior Border of the Lower Jaw . . . . .	351
(7.) Tumours on the Lower Jaw . . . . .	351
(8.) Actinomycosis of the Maxilla . . . . .	353
(9.) Inflammation and New Growths in the Submaxillary Lymph Glands . . . . .	355
