JURY SAYS "DEATH FROM NATURAL CAUSES'

Scarboro Junction Case Excited Good Deal of Comment-Wide Tires in County.

SCARBORO JUNCTION, Feb. 27 .-(Special.) - "Death, from natural causes" was the verdict rendered by the coroner's jury empanelled here this morning and evening to enquire into the causes leading up to the death of the causes leading up to the death of the late Mrs. James Palmer, whose death took place last Tuesday.
Following the death of the widow, who was 80 years of age, ugly rumors began to circulate around, and the funeral was postponed from Tuesday until Friday. On that date, following instructions from Dr. Coutts of Agincourt, and to allay all doubt in the mater, a post-mortem was held, conducted by Drs. Walters, Gideon and Silverthorn, after which interment took place.

The coroner's jury met this morning and later adjourned to this evening, when T. L. Monahan, assistant crown attorney, was present on behalf of the

attorney, was present on benair of the crown.

A number of witnesses were called, among them two medical men whose evidence established beyond a doubt that he deceased lady had died from natural causes. The coroner's jury accordingly rendered a decision in accordance with the facts.

Mrs. Palmer resided with her son George and a housekeeper a short distance north of the Grand Trunk Railway station, the son being about 45 years of age. About fourteen months ago Mrs. Palmer suffered from a stroke of apoplexy, from which she had never wholly recovered. The family have lived here for about twenty years.

NORTH TORONTO.

Board of Health Are Out to Give the Town Good Service.

NORTH TORONTO, Feb. 27.—(Special.)—The regular meeting of the North Toronto Council, No. 47, C.O.C.F., was held to-night in the Masonic Hall, when a number of candidates were initiated. A degree team from the city was in attendance and conducted the ceremonies.

initiated. A degree team from the city was in attendance and conducted the ceremonies.

A special meeting of the board of health was held to-night in the town thail, when a number of important matters were dealt with. Chairman Ferguson presided, and after a full and free discussion of the general salitary condition of the town it was decided with the concurrence of the town council to establish a regular system of garbage collection and a general clean-up of the town along these lines. The board of health will try and arrange for a conference with the council and arrive at an understanding as to how much money the latter will appropriate for this cause. The board of health are taking hold of their duties in an aggressive and progressive spirit and the council ought to give them all financial and moral support. The town is getting to be a big place now, and too much attention cannot possibly be given to matters of health.

A meeting of the executive of the North Toronto Ratepayers' Association will be held Wednesday evening, Apart from the sewage project, which quight to have general support, the members for Saturday evening. Apart from the sewage project, which quight to have general support, the members are interested in the Duplex car line, about which Councillor Reid is so enthusiastic. Councillor Reid is anxious that everybody in town hall become interested in this scheme, which he claims will gaivanize the town into life, and enormously increase the value of all North Toronto suburban property. On paper the plan looks feasible enough, and the chairman of the water, fire and light committee declares that there is plenty of more behind the project to push it thru.

To-morrow night the North Toronto entire declared the though the horte of more was a popular in this expected.

The Ladies Aid of the Methodist Theology of the sevening

To-morrow night the North Toronto senior hockey team do battle with the Wychwood players in the Mutual-street Rink for the Interassociation League championship. It is probable that a large crowd will go from the town to see the locals bring home the honors. A good deal of sickness prevails in the town at present mostly due to colds.

PLEADS GUILTY TO CHARGE.

Robert Thompson, colored, of Humber Bay, charged before Magistrate Ramsden yesterday morning with housebreaking, was committed for trial, himself pleading guilty to the charge. Thompson was charged with breaking into Cuton's general store at Mimico on Tuesday night last, and with stealing a quantity of tobacco, cigars and general merchandise.

DON MILLS ROAD IS TOO SHORT. County Council Left Bad Gap in York Township System.

The York County Council at the special meeting convened on Thursday last, and extending over until Saturday, while they agreed to the giving of some two and one-half miles of extra roads up in Vaughan Township, never even considered the question of extending the Don Mills-road from concession 4 of York Township over to the York townline and Scarboro townline. ownline.

To leave about half a mile of a gap

To leave about half a mile of a gap between a system such as is proposed does not seem to have been a good business proposition on the face of it. The Vaughan extension is all right, but here is a case where an immense area would have been served and the distance to Toronto appreciably shortened. A Scarboro farmer, looking over the "good roads" map yesterday in The World office, declared that there was no excuse for the omission, and suggested that even yet the matter should be taken up. The time is now too late for a reconsideration of the question, and the only thing, for the farmers and others most directly concerned is to look after the work locally. York Township could set aside a certain amount, and if this were done the Scarboro Council would be well advised to extend the good work over to the Kennedy-road. A cross line in that part of the township is badly needed.

COUNTY ROADS AND BROAD

Ontario Association Fight to Take up

The letter of W. A. Clarke, assessment commissioner of York Township, which appeared in The World a few duys ago re the importance of wide tires, excited a good deal of comment in the York County Council, and has aroused added interest in the suburban districts.

Nebody doubts that the wide tire must ultimately come, and Mr. Clarke's letter places the matter in a very strong light. The approaching meeting of the Ontario Good Roads Association to be held in this city on Wednesday, March 1, in the old court house, ought to afford a good medium for the discussion of this great topic. There is no use in expending \$300,000 in York County in good roads and then ruining them in the same time it takes to construct by the use of narrow tires.

PICKERING VILLAGE, Feb. 27.—
(Special.)—The Women's Institute will meet at the home of Miss Annie Marquis to-morrow (Tuesday) at 3 p.m. An interesting program is being prepared, and a big turnout of the ladies is expected.

The Ladies' Aid of the Methodist Church here will hold their annual "at home" on the evening of Friday, March 10.

Hockey never was so popular in this village as this winter, and the advent of mild weather for some time will be hailed with regret.
