

BANK OF HAMILTON Dividend Notice

Notice is hereby given that a dividend of two and three-quarters per cent. (eleven per cent. per annum) on the paid-up capital of the Bank, for the quarter ending 30th November, has this day been declared, and that the same will be payable at the Bank and its Branches on 2nd December next.

The transfer books will be closed from 23rd to 30th November, both inclusive.

By order of the Board,
J. TURNBULL,
General Manager.
Hamilton, 31st October, 1912. 611111

to a compilation recently
The South African Min-
There are 29 mines in Af-
reserves of 1,900,000
Of these 29 gold mines,

On the central tract of land, ten on the East Rand, West Rand and two in Rhodesia. The total amount blocked out in these 29 claims to the latest reports, 153,587 tons, of an average of about 30s per ton, so that the gold contained in the blocked-out tonnage may be no less than £106,700,000.

more than the gold output of last year.

That the average gold price—famous Rand mines sales, or approximately \$7.50 an ounce—will come as a surprise to many is not surprising.

An interesting comparison in this regard with the values at the Hollinger, owned in the recent report, is that the ton, that is, taking into account all the ore which

16th, 1912. At the same time he will be received for supply of sugar-cured smoked hams and smoked corks, hams and corks for a like period.

All the above must be of good quality, and if otherwise rejected. Security will be required for the names of two sub-bidders who must be given in the tender, and any tender not accepted.
