The tanners want the Government to provide a regulation obliging butchers; and sellers of hides to have them inspected by the Inspector of their district. The tanner would be saved much inconvenience and delay in buying if hides were inspected beforehand. A uniform standard of inspection is also desired.

Trade prospects are considered good. Stocks of leather are smaller than for years, and the demand is good.

Christmas, 1896.

The boliday numbers of the various periodicules are specially good this year. First of all, of course, all Canadians should patronize our own Saturday Night, which this year presents a fine holiday number. A specially good engraving, "The Buttle of Queenston Heights," goes with it. The Toronto News Company have also all the English and American holiday numbers. The Graphic is a rare number, with a fine engraving of "Flaming June," the late Lord Leighton's last finished picture. The Golden Penny is an excellent Xmas issue. The old standby. The Illustrated London News, is, as usual, to the fore with a first-rate number. A fine engraving, "Chatterbox," "Under the Mistletoe," Marcus Ward's magazine Xmas number, Judge, Puek and many others, go to make up a fine assortment of Christmas annuals. All newsdealers sell them, and the Toronto News Company are the wholesale agents.

Editor World: The inhabitants of Toronto have been writing with great patience for a decision in the above case, yet there is no real appearance of anything being done. Why all this delay, specially after the various committees have exonerated Bain? Is all the talk in the City Hall ament nepotism simply bluff? There are a few of the aldermen, I am glad to see, anxious to give justice. There are others who seem as anxious to have the matter hushed up. Take last Monday's meeting of the Board of Works, for instance, when several tried to prevent the case going to council, where in all fairness it should have gone. I think the working man of Toronto can plainly see, that, where their interests clash with the great would-be's, they need not expect much sympathy from men of this class, and when they (aldermen) come up seeking reelection, that they will not only tell them in words, but show them on the election day what their opinion of them is.

An "Onlooker." The Heal-Bain Case.

Not everyone can go to London to hear the celebrated Westminster Chimes, but at a comparatively small price you can purchase an "Abbey" Chime Clock (which is an exact reproduction of the Westminster chimes), at Edmund Scheuer's new jewelry establishment, No. 90 Yonge-street. At present the clock is on exhibition and well worth an inspection.

Dyspepsia and Indigestion.—C. W. Snow & Co., Syracuse, N.Y., write: "Please send us ten gross of Pills. We are selling more of Parmalee's Pills than any other pill we keep. They have a great reputation for the cure of Dyspepsia and Liver Compiaint." Mr. Charles A. Smith, Lindsay, writes: "Parmalee's Pills are an excellent medicine. My sister has been troubled with severe headache, but these pills have cured her."

Christmas in England. Christmas in England.
On the American Line SS. New York, which sailed yesterday, there were James Manners, William Davies, H. W. Walton and A. J. Clark, going home for the holidays.

Next Wednesday's steamer, the St. Louis, will carry a large number of passengers, as she will be the last ship enabling travelers to arrive in England two days before Christmas.

Christmas.

Dyspepsin or indigestion is occasioned by the want of action in the billary ducts, loss of citality in the stomach to secrete the gastric juices, without which digestion cannot go on: also, being the principal cause of headache. Parmalee's Vegetable Pills, taken before going to bed, for a while, never fall to give relief, and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmalee's Pills are taking the lead against ten other makes which I have in stock."

F. J. Steinmetz, grocer, Hamilton, has compromised at 27c on the dollar.

The statement of Foreman Bros. of Collingwood shows liabilities of \$15,000, with assets nominally the same. The insolvents have made an offer for the estate, which will probably be accepted.
