T. EATON CO. "CANADA'S GREATEST STORE."

Noteworthy Bargains for Friday.

There are many good reasons for making this a memorable week for bargain-giving. Large shipments of new goods to hand demand room for their display. Many lines of summer goods must be cleared out before the end of the month. Hence broken assortments, odd sizes, left-overs and not a few slow selling lines are marked for quick selling. These, supplemented with many special lots purchased below the regular market value, help to make this note worthy bargain list for Friday: _____ fousekeeping Helps | Toilet Sundries and Candles Men's and Boys' Clothing .

Puff Boxes, regular 40c each; for 25c.

before a thorough understanding can as might induce the British Government be arrived at as to the full operation to depart from its long-established of the tariff of 1897, and as to the policy. He knew that precedent to any effect which the changes then made have such change, there would be a thorough effect which the changes then made have effect which the changes then made have exercised on the different departments of trade. A few of the salient features can be distinguished. These are sufficient to show that there has been no such reduction in the average rate of custom reduction reductio of trade. A few of the salient features the concessions granted by Canada, He pledges and claimed for the new tariff that their tariff had been so framed as that a petition for this pavement was away the evening. when submitted to Parliament; nor has to leave the door open for those com- laid before the Committee of Works in the tariff proved to be of the pro- mercial arrangements with the United April last. It passed the Council, and

prosperity of the Doimnion have been brought about by the changes in the itariff is too absurd to merit consideration. The net reduction in the tariff is less than one per cent.; through increase in its commerce, the country has been burdened by a contribution to the custom revenue of \$2,000,000 more than in preceding year, and we are told that these two factors have created the prosperity claimed. It may be that the perity claimed. It may be that the township. Bertram and Frost and kindred industries, which have a pull on the Government, have derived some benefit from the changes in the tariff, but what

fence and other industries, which received "cold justice?" If the reduction in customs duties has proved a rank deception, the preferential pro-British features of the tariff have proved a gross delusion. Our imports for consumption in 1897-98 show an aggregate increase over preceding year of 17 1-2 per cent.; those from Great Britain, with the rebate in its favor, only increased about 10 per cent, while those from the United States, without any rebate, increased about 27 per cent. The

sh barrel out on the street a few nous stronger than the prescribed time you will be summoned by the Health Inspector, but York-street, Queen-street and R.chmondstreet, some of our best streets, can remain perfect pestholes without the least notice being taken of them by our Health Inspector. Is this work beneath him and he's subtone tor. Is this work beneath him and he's subtone to the first of these visitors from the South R. Simpson. the first of these visitors from the South came to Toronto. These were a family, Canada's which he himself was instrumental i bringing here. The result of the visit of this family was a large increase of visitors to Toronto the following year, while this season the number has increased in a very large ratio. The Guests Are Wealthy.

As a rule the guests at the Elliott House were people of means. They preferred Toronto to any American city, because its climate was cooler and more bracing. The hotel accommodation was perfectly satisfactory to them, and at the same time things were a great deal cheaper here than in any other city they could go to. The visitors are surprised to find that they are able to get in Toronto a suit of clothes for \$20 which would cost them double that sum in their own city. The ladies almost universally make large purchases

in its columns to the presence of the visitors in the city.
