20 HUNTERS IN THE CHASE

Four Classes of Jumpers Raced From Point to Point, Starting at Forest Hill Farm.

A SPLENDID SPORTING SPECTACLE.

Major, Ivanhoe, Angus and Belle of Elcourt Were the Winners.

The Toronto Hunt Club was in its element yesterday in the way of a race meeting, and it gave one of the best and most genuine sporting events of many a day. Imagine yourself on a high hill (Forest Hill Farm of Mr. George Moore) and all around the hill a sweep of country within eye-range, a circle of 20 miles; imagine a smaller circle around the hill of four miles in circumference and you have the course of yesterday. Standing on Forest Hill you saw the whole course almost from start to finish and, standing there, you saw 20 horses, thoroughbred and half-bred, struggling through fields, over fences and ditches, on sod and through plowed land, at a fast gallop at one time, at another almost at a walk, to win the simple trophies.

The horse that often won at the Woodbine (Prince Mark) had to take second place to the horse that was out of it with him over the jumps and two and a half miles of comparatively easy going; and the horse of wind, of muscle, of staying qualities got a chance to prove himself. The thoroughbred maintained his reputation as against the half-bred; the first three were of the pure strain; two of them who started four minutes behind the hunters were first in the finish, carrying 150 lbs., and Mr. Maclean's Angus, who carried 175 lbs., a son of Powhatten and Flirtation, came in first of the hunters. Next to these three thoroughbreds were the half-breds Ivanhoe and Cockatoo. The race at the last three jumps was one of the closest and most interesting seen here for a long while; the horses were tired, but full of nerve, and at the third jump from the finish Prince Mark gave up for a moment and five others followed his example; but Angus and those with him went on and at the last jump quite ten horses came up to the fence almost under a blanket. All went over it in good style and then raced along the foot of the spectators' hill in this order: Belle of Elcourt 1, Garter King 2, Angus 3, Ivanhoe 4, Cockatoo 5. Everyone congratulated the master, Mr. George Beardmore, on the ride he made on Cockatoo, and the ride-for-life air that he wore when he came in, neck and neck with Mr. W. Hyslop on Major. Mr. K. Marshall, one of the juniors of the club, who rode Angus, also did himself credit in the contest. Mr. George Carruthers made a good finish on Ivanhoe for the qualified hunters, and so did Mr. Adamson, who was second in the same class, on Prince Mark. Dr. King Smith gained the praise of his worthy father for the way he finished, second in the green hunters, on Golden. The races were all in one, 20 horses in four classes, and the entries and winners were as follows:

Senior heavyweights, 190 lbs., without lead—W. Hyslop, Major, 1; George W. Beardmore, Cockatoo, 2; E. A. Phillips, Rifle Boy, 3; G. H. Waller, Brian Boru, 4; G. A. Stimson, Gold Star, 5.

Qualified hunters, 175 lbs.—George Carruthers, Ivanhoe, 1; T. M. Adamson, Prince Mark, 2; L. Reinhardt, Emigrant, 3; A. E. Osler, Kaiser, 4.

Green hunters, 175 lbs.—K. Marshall, Angus, 1; Dr. D. K. Smith, Golden, 2; Dr. Peters, Veto, 3; F. Doane, Spain, 4.

Farmers' race—Pat Meagher, Belle of Elcourt, 1; R. Davies, Garter King, 2; T. Meagher, Maid of Erin, 3; J. Meagher, White Stockings, 4.

The judges at the finish were: Mr. Clinch and Mr. George Torrance. Mr. Percy Manning was secretary for the day, assisted by Huntsman Mumford, who laid out the course.

CURLY BROWN SLUGGED DAN MURRAY

Gory Battle Between Well-Known Race Track Men at Newport —Brown Arrested.

Cincinnati, Nov. 9.—A bloody fight occurred on the Newport track this afternoon just before the last race was run. Dan Murray, the well-known race caller and form book man, was attacked by Curly Brown, former starter at the track, and badly beaten. The trouble was the result of an old grudge which sprung up between Murray and Brown on the Canadian circuit last summer. Murray is in a serious condition at his hotel in this city. Brown left the track after the affair, but later was taken into custody and put under bonds. The racing to-day was spirited, over a good track. Summary:

First race, 7 furlongs—Tim Gainey, 105 (Dupee), 10 to 1, 1; Enghurst, 105 (Southard), 15 to 1, 2; Marion Lynch, 107 Wedderstrand), 16 to 5, 3. Time 1.30¼. Flora Daniels, Turkish Bride, Inkerman, Sadie Burnam, Prince Jo, Scot A., Peter Duryea and Bernie also ran.

Want Jumpers at New Orleans.

New Orleans, Nov. 9.—Steeplechasing will be a feature of the race meeting at New Orleans, beginning Nov. 30. It will be conducted under the eye of Capt. J. H. Rees. Racing through the field will be an innovation at the southern course. Hurdle races have been contested there, but the inducements were never sufficiently liberal to attract a good class of material, the occasional fields being made up largely of unsuccessful flat racers. The putting on of a steeplechase course was considered impracticable, owing to a deep canal which bisects the infield transversely and a grove of ancient and sacred live oaks which occupies the lower end. Six weeks ago, however, President Charles S. Bush sent down Percy Taylor from Chicago to see what he could do with it. Taylor, whose education in the timber-topping branch of racing was acquired in England, and who had much to do with the construction of the steeplechase course at Hawthorne, now reports that he has given New Orleans not only the most picturesque but one of the safest steeplechase courses in the west. The canal has been bridged in three places, and a part of the track winds around the trees, leaving plenty of room at the narrowest part for a dozen horses. The full course is two miles and three furlongs and covers thirteen jumps. The medium course is 80 yards less than one mile and six furlongs, and the short course sixty-five yards over one and one-half miles.

The Crescent City Jockey Club will have some excellent racing—flat racing as well this winter. It is offering money enough to attract good horses, and there is every likelihood that it will have a much better class of material to draw from than ever before. With Mr. Fitzgerald as starter, Messrs. Simmons and McDowell as judges, Sheridan Clark as secretary and handicapper, and President Bush to overlook the entire management, there is no reason why New Orleans racing should not be decidedly prosperous. Last winter Mr. Clark made a record as a handicapper.

Burns on Two Winners.

San Francisco, Nov. 9.—First race, 5 furlongs—Racetto, 107 (Devin), 4 to 1, 1; Burdock, 107 (Morgan), 2 to 1, 2; Gold Finder, 110 (Jones), 7 to 1, 3. Time 1.04¾. Tom Sharkey, Giro, Miss Sophie, March Seven also ran.

Fifth race, 6 furlongs, handicap—Marcato, 100 (Devin), 1 to 8, 1; Rio Chico, 98 (Burns), 6 to 1, 2; Afamada, 108 (Walsh), 1 to 8 (coupled with Marcato), 3. Time 1.16¼. Tonamarie also ran.

Sixth race, 5 furlongs, selling—Potente, 107 (Walsh), 8 to 5, 1; Tulla More, 107 (Burns), even, 2; Flammaway, 105 (Morgan), 25 to 1. 3. Time 1.02¾. Cymama, Mamie Gibbons and Blooming Chance also ran.

The books got a terrible drubbing in the last race yesterday afternoon. Ben Lodi, a cast-off Montana horse, backed from 50 down to 10 and 15 at post odds, got off in front and made a runaway race, moving three-quarters in 1.14¾, and this over a muddy track. The race was a made-up affair and the talent tumbled all over each other to get on Montallade and Genua, who were 6 to 5 favorites. The owner of Ben Lodi did not have a cent to pay a jockey, and just at the last moment his compatriot from Montana, Billy Randall, whose heart is a heap bigger than his fortune, put Songer up. Then the Montana crew unloaded, and had the satisfaction of never seeing their money in danger. Montallade and Monga finished second and third respectively.

PAT POWERS' BIG SIX-DAY RACE.

Eastern League President Now Busy With Bicycle Game and Boosting Canadians.

In a letter to The World President P. T. Powers of the Eastern League says that he is now working on the averages, which will soon be out, and, between that and the coming six-day race, his hands are full at present. Among other things, Mr. Powers says: "It is reported here that Davidson and Boake of Toronto are to enter the six-day race, and I expect that Archie McEachren and Otto Maya will also be team mates. This should be of interest to Canadians, and I hope that your townsmen will make a good showing."

Prominent among the entries are Canadian, Swedish and American teams. From Europe four teams will come and Ireland will contribute a team of cracks in addition. These five teams being assured will leave but 20 places to be filled by riders in America, and 12 of these 20 teams are already assured.

The winners and second men of both the New York and San Francisco 24-hour races of last year will team together, and the contest between Earl Stevens, winner, and Charlie Turville, second man, in the San Francisco race, as one team, and Louis Glimm and Burns Pierce, first and second man in New York, as another team, will be highly interesting. The Swedish team, John Lawson and Oscar Julius, the Terrible Swede, and the greatest sprinter of past six-day races respectively, both skating champions of Sweden, will be a strong team. The Southern champions, John Chapman and Bob Walthour, will be a grand one, although it may be that Chapman will induce Tom Barnaby, his old mate, to come on from British Columbia. Chapman and Barnaby were the great pair in the New York 24-hour race last year, and for hours kept the field intact by their sprinting. The Germans, Fred Schineer and Fred Forster, compose a strong combination, which intends to win. Kansas City will have a great team in Bert Repine and Al Latiner. There will be a young Alsatian team, another team of prominent road-record riders from Long Island and Aronson, Alberts and several others have yet to be mated.

AMONG THE BOXERS.

Mysterious Billy Smith Secured Decision Over McKeever After Twenty Rounds.

New York, Nov. 9.—Mysterious Billy Smith of this city defeated Charley McKeever of Philadelphia in a 20-round bout at catch weights at the Broadway A.C. last night. Smith was 145 pounds and his opponent tipped the scales at about the same weight. Both men were in prime shape, and the fight was fast and interesting from start to finish. McKeever used his left to good advantage in the opening rounds, sending straight jabs to the face and neck, and was equally as clever at close quarters as Smith. At the end of the third round McKeever landed two straights with his left on Smith's mouth. In the next he swung right on Smith's jaw, and there was plenty of hard infighting. In the sixth McKeever landed a left swing on Billy's stomach, which made the mysterious boxer grunt audibly. In the ninth Smith was almost taken off his feet with an uppercut from McKeever's left.

McKeever put a straight left on the mouth in the eleventh, and drew first blood by cutting Smith's eye with a left jab. Smith replied with a similar blow, which raised a lump over McKeever's left eye. From this point, Smith, who had had all the worst of it, began to improve. In the twelfth he stepped in with a hard right on the wind. McKeever countered, and Smith swung a heavy left on the jaw. In the thirteenth Smith swung his left to the eye, and McKeever landed hard on the kidneys. At the close of the round Smith drove a terrible left to the ribs.

In the next two rounds both men continued to visit the body with lefts and rights at close quarters. In the fifteenth Smith sent a straight left to the face, McKeever sending left to face and body. At the close of the round Smith staggered McKeever to the ropes with a hard swing to the body. In the following round both landed hard lefts on the face, and fought roughly at close quarters. McKeever came out of this mix-up with a cut under his right eye. There were hard exchanges on the body and head in the seventeenth, and in the eighteenth both landed right swings on the head. McKeever jabbed his left on the jaw, but had the worst of the hard infighting which followed in the following two rounds. Smith got the decision.

Easy for Kid McCoy.

Buffalo, Nov. 9.—Kid McCoy knocked out Jack McDonough of St. Paul in the fourth round of what was to have been a 20-round go at the Hawthorne Club Annex to-night. The men fought at catch weights. McCoy outfought and outpointed McDonough at every stage. The St. Paul man was evidently afraid of his opponent, and did not venture a lead for the first three rounds, while the crowd shouted derisively. In the fourth round McCoy sent McDonough to the floor with a left on the jaw, and again with a right on the same spot, finally knocking him out with a left on the wind. McCoy gave a fine exhibition of boxing, and appeared to be in splendid condition. There were about 2000 people present.

Ruhlin After Jeffries.

New York, Nov. 9.—Gus Ruhlin to-day posted $1000 for a fight with James J. Jeffries. The conditions of the challenge are that the fight must be arranged for within six months. If the money is not covered by that time Ruhlin will claim the championship. Ruhlin says he will fight Jeffries for a side bet of from $1000 to $5000, and is in favor of the bout taking place at Carson City, so that it will be a finish.

The first three games in section two of the Toronto Bowling League were played last night, one at Sunnyside, one at the Armouries, and the third at the Athenaeum Club. The totals and average scores made in each of the games were good, and the matches were keenly contested, considering the short time the bowlers have been practising:

ON THE FOOTBALL FIELD

McMaster and Osgoode Play All Through an Association Game Without Scoring.

ARGONAUTS GAINING CONFIDENCE.

Kingston Granites Enter Protest Against Hal. Walters and Union Will Meet To-Night.

One of the best and most exciting Association football games seen in Toronto for some time was played yesterday on the Varsity athletic grounds between McMaster and Osgoode Hall, in the Intercollege League, though neither teams succeeded in scoring. The teams were so well matched that neither had any decided advantage, although the legal men have played together for a couple of seasons and McMaster this year for the first time. A fairly large crowd witnessed the match, being principally McMaster's supporters. The teams lined up as follows:

McMaster (0): Goal, Baker; backs, McLaurin, Guyatt; halves, Lamont, Pengally, Stewart; forwards, Zavity, Cornish, McDonald, Faulkner, Murdock.

Osgoode (0): Goal, McKay; backs, Arnot, Moorehead; halves, Jackson, Burns, Gibson; forwards, Paterson, Dixon, Primo, McKinnon, Donahue.

Referee—Miller.

Hal. Walters May Be Barred.

Kingston, Nov. 9.—The Granites have laid with the executive of the O.R.F.U. complaints against Hal. Walters of the Ottawa City football team. President Mowat of the Union has called a meeting of the executive for Friday night.

To-Morrow's Rugby Game.

The match at Rosedale to-morrow will likely be one of the most interesting ever played in this city and should attract a large crowd. If the Argonauts win it will give them a splendid chance for the championship. The players are quite confident that they will down the Rough Riders and have been training hard. Every man is in condition to play the game of his life. The ball will be kicked off at 2.45 p.m. The plan of reserved seats is now open at Nordheimers'.

Football Gossip.

Smoking will not be allowed in the grand stand at Rosedale Saturday, as several strong protests have been made against the practice.

The Argonaut scrimmage will be Langton, Willson and Boyd. This trio will put up a hard battle against the big Ottawa scrim.

If Walters should be suspended by the O.R.F.U. Executive to-night it will make a big gap in the Ottawa line.

Either Lucas or Chadwick will replace Parmenter on the Argos' wing line, the latter going back to half.

Here is a football tangle: Columbia beat Yale, Cornell beat Princeton, Cornell 29, Columbia 0, and now the question is what will Princeton do to Yale.

The Varsity team to play against McGill on Saturday in Montreal will be chosen from the following men: Beal, Darling, Brown, G. Biggs, P Biggs, Mullin, Mallock, Isbister, Russell, Harrison, Fleck, Barr (capt.), Armstrong, McCollum, Telford, Gibson. The Varsity team leave this morning by the 9 o'clock train.

The management of the Hamilton Rugby Football Club has about arranged for both Saturday's games. The seniors will go to Kingston and the intermediates to Peterboro. It will be hard to get a representative senior fifteen. Up to last night eleven of the men had announced themselves ready to go. In any event the intermediate team will not be drawn upon to fill up the senior team, it being conceded that the seconds have a good chance for the cup.—Hamilton Times.

There will be a meeting of the O.R.F.U. Executive at Clancey's to-night to look into the Granites' protest, and deal with Mr. Hal Walters' case. Walters has played with the Rough Riders for two seasons, and complaints against him have been numerous. At the meeting to-night the Executive will say whether or not he will play any more games in the O.R.F.U. There is a lot of evidence from players regarding his alleged unnecessary rough playing. This is the gentleman who was turned down once by the Quebec Union.

Varsity Intermediates will not play R. M.C. till Varsity seniors go to Kingston on Saturday, Nov. 18.

If Jack Counsell will act the Argonauts will ask Ottawa to accept him as referee for Saturday.

The oarsmen will be a mighty hard nut for the Rough Riders.

There are lots of Argonaut backers willing to take money at 3 to 2 from Ottawa on Saturday's game.

Right after the Inter-college season the inter-year games for the Mulock Cup will commence at Varsity.

St. Michael's College and Trinity will meet in their annual game of Rugby to-day on Trinity campus. St. Michael's will pick their team from the following: Stormont, Sheridan, Dissette, McGuire, Cripe, Pickett, Collins, Blewitt, Carey, McAllister, Luby, Kelly, Rosler, Hayes, Carter, Staley, Duggan. The game is called for 3 p.m.

The Normal School boys have a great forward line, which showed up well on Wednesday afternoon, when they defeated Varsity II. by 2 to 1.

The schedule now stands as played so far with Normal School and Pharmacy a tie for first place. The winning team: Goal, Armstrong; backs, Lewis and Wessels; halfbacks, Langdon, McLachlan and McMurphy; forwards, Leavens, Austin, Oke, Stewart and Everest.

The annual meeting of the Inter-Collegiate Football Union takes place in Montreal today.

The Granites' back division in Saturday's match with the Tigers will likely be composed of McCaig, at full back, with Reyner, Hamilton and Curtis on the half line. If McRae is able to take his place on the half line Reyner will drop back between the posts.

More McDuffee Marks.

Chicago, Nov. 9.—Eddie McDuffee put two more new marks in the L. A. W. record book yesterday as a result of his riding at the Garfield Park. They were the quarter-mile, which he reduced to .21 2-5, and the third-mile, which he reduced to .27 2-5. While McDuffee was accomplishing these feats poor Major Taylor sat idly by, with a doleful expression, wishing that his own pacing machine might work as well as that of his rival.

The quarter mile paced record was broken twice at Garfield Park to-day. Eddie McDuffie, in the face of a stiff breeze, clipped 1 1-5 seconds from the record of yesterday, making the new mark 20 1-5.

A few minutes later Major Taylor, the colored rider, went the distance in 20 seconds flat. Taylor chose the opposite side of the track to that used by McDuffie and had the wind at his back the greater part of the distance. Both men were paced by motors.

The Queen City Yacht Club will hold a progressive pedro party at their club house on Saturday evening at 8 o'clock, to which a cordial invitation is extended to the members and their friends.

Sir Lipton's Loving Cup.

New York, Nov. 9.—Three of the five thousand dollars necessary to make a gold loving cup for Sir Thomas Lipton have been contributed, in small sums, as the promoters desired. Three leading goldsmiths have been asked to prepare designs. The design of the cup will be to symbolize a gift from the American people rather than any yachting idea.

Toronto Poultry Show.

At the meeting of the Toronto Poultry Association last night in Temperance Hall, it was decided to hold the annual show in the Walker Building, Dec. 18 to 22, inclusive. The nomination of officers took place, and the elections will be held at the next meeting. President C. Mick will be opposed by Mr. John Chambers, Park Commissioner, and C. J. Daniels for the chief office.

The man gave his name as Thompson, and the woman passed as Mrs. Thompson, although to some she said her name was Linnear, and that she was a sister-in-law to the man. They had a baby boy with them about two months old, which they took to Mrs. Mortimer's, and upon one occasion left it there. Both of them left Mrs. Stong's employ after they had been there a month, and forgot to call for the baby before they left. MOST IMPORTANT SPEECH OF SALISBURY'S CAREER

Continued from Page 1.

would have had no advantage from the possession of gold mines except as her Government conferred the blessings of good administration upon those engaged in the industry. All successful industry breeds commerce, and all commerce has produced is to the advantage of England; and all industries and commerce flourish better under her good government than under any other regime in the world. But that is the limit of our interest.

"What we desire is equal rights for all men of all races, and security for our fellow subjects and our Empire. The hour for asking by what means these results can be obtained is not yet come; but these are the objects, and the only objects, we seek. We do not allow any other consideration to cross our path.

No Interference.

"I have seen it suggested—and it seems to me a wild suggestion—that the other powers will interfere with this country and in some form or other dictate to those who are concerned in it as to what its upshot should be. Don't let any man think it is in that fashion the conflict will be concluded. We shall have to carry it through ourselves, and the interference of anybody else will have no effect upon it. [Cheers.] In the first place, because we would not accept that interference, and, in the second place, because we are convinced that there is no such idea in the minds of any Government in the world.

No Third Party Will Come in.

"Within my recollection, there have been some five or six great wars, involving in their close great territorial modifications, but, except as provided for by treaties and except in the case of treaties, in none of these wars has a third party ventured to interfere between the combatants. In none of these wars has any nation claimed a right to determine what the issue of the contest or its terms should be. They have not claimed that right, because they cannot. It is not in accordance with international law that they should possess it. Therefore, such dreams should be set aside.

When Victory Comes.

"Whenever we are victorious we shall consult the vast interests committed to our care. Vast duties lie upon us to perform, and, taking counsel of the uniform interests of our colonial government and of moderation and equal justice to all races of men, which it has been our uniform practice to observe **I do not doubt we shall so arrange that the issue of this conflict will confer good government upon the area where it rages and give the security sorely needed against the recurrence of any such dangers and the necessity of any such future exertion, and for the restoration of peace and civilization to that portion of the world."**

Lord Salisbury resumed his seat amid a tremendous ovation.

WILL RESTORE CONFIDENCE.

Salisbury's Plain Statement That There Will Be No European Intervention at This Time.

London, Nov. 10.—As was anticipated Lord Salisbury in his speech at the Lord Mayor's banquet last evening, said practically nothing that would throw light upon the ultimate fate of the Boer Republics. The speech was of the commenting, rather than of the informing order. The pro-Boer Daily Chronicle, rather hastily interprets his phrase, "We seek no gold fields, no territory," as meaning that the national rights of the erpublics will be respected in the final settlement. It thinks his words "will fall with soothing effect on Dutchmen in South Africa" and even goes so far as to say that if they had been spoken sooner they would have altogether prevented war.

This is quite an isolated view. Every Cabinet Minister has made the same profession, both before and since the war began, and Lord Salisbury distinctly disclaimed any idea of defining the ultimate settlement. The important points in his speech which attract universal attention and gratification are his references to the friendship of the United States and Germany and his plain statement that there would be no European intervention. Such assertions, coming from Lord Salisbury, will do much to restore the confidence of the country.

What The Times Says.

London, Nov. 10.—The Times says: "Lord Salisbury spoke in a tone of gravity, which, far from indicating depression, and still less dismay, marks the frame of mind becoming courageous and thoughtful men during a period of anxious suspense."

Around the Ring.

Champion Jimmy Smith and Jude Ready of Hamilton are practically matched for the main bout in the opening show in London three weeks hence. They will go 20 rounds at 118 lbs.

A story was printed in New York yesterday to the effect that the tide of battle was changed in the 20th round on Friday when one of Jeffries' seconds slipped the point of a hypodermic needle under the Californian's skin and thus administered a heavy dose of nitro-glycerine, strychnia, arsenic and caffeine. This, it is stated, was not the first injection, but those previously made were intended simply to keep the champion going, and the big dose was for the purpose of stimulating him for the final effort.

Al Herford, on behalf of Joe Gans, has posted $1000 to meet any lightweight in the business at 133 pounds, weigh in at 3 o'clock.

Otto Sieloff of Chicago will meet Tim Kearns of Boston in a 20-round bout at the Greenwood A.C. on Saturday night.

Albert Griffiths, better known to the sporting world as Young Griffo, the great Australian featherweight, whose brilliant performances in the ring won the admiration of all lovers of the fistic art a few years ago, is a free man again, having been released from a Chicago lunatic asylum. Ten months spent within the walls of Dunning, careful treatment at the hands of wise and experienced physicians, and enforced abstinence from alcoholic stimulants have restored the only Griffo to something like the form he presented in the past, when he was the pride of the antipodes and the cleverest boxer that ever donned a glove. Griffo was born at Miller's Point, Sydney, New South Wales, in 1871. He is therefore 28 years of age. His future career will be watched with much interest by sport followers all over the country who remember the days when their eyes were dazzled by the will-o'-the-wisp boxer who flashed into prominence in American ring circles towards the close of the World's Fair year.

Much importance is attached to the fight between Joe Bernstein, featherweight, and Dave Sullivan, which will take place at the Broadway A. C., New York, to-night.

THAT TRIP TO COLENSO.

Brilliant Performance of the Armored Train With Dublin Fusiliers on Board.

Estcourt, Natal, Nov. 5.—Details were received from the armored train, which returned from Colenso to-day, of a brilliant little performance. The train, which carried two companies of the Dublin Fusiliers, under Capt. Romer, sighted, near Colenso, the Boers in considerable force near the line. The Fusiliers immediately opened a brisk fire, which the Boers replied to ineffectively, and, as they were suffering loss, they quickly retired out of sight. But, as the train cautiously advanced, the Boers were seen moving around on its left flank, their presumed object being to take the train in the rear. To avoid this, the train retired. It was then seen that the Boers had no intention of attacking, but were in full retreat over the road and bridge. Immediately a strong detachment left the train and entered the town, while the train slowly advanced to the station. Several volleys at long range were fired on the retreating enemy. The British also succeeded in entering Fort Wylie, near Colenso, and brought back four wagonloads of shells, provisions and stores.

THE EMPEROR FORBIDS IT.

No Prussian Officers Will Be Allowed Leave to Go to South Africa With the Boers.

Berlin, Nov. 9.—As a result of instructions from the Emperor, a military order has been issued to the commanders of districts, in which His Majesty expresses his wish that no Prussian officer be granted leave to go to South Africa. The order adds that everything is to be done to prevent former Prussian officers from taking part in the conflict in South Africa, his purpose being to avoid every appearance of violation on the part of Germany of the strict neutrality which, the Emperor says, should be observed.

Paraguay's Fleas.

Buenos Ayres Herald: Perhaps the plague in Paraguay is merely an attack of pigue, or sand-flea. This insect is called nigua in the native language. In 1870 it killed a whole colony of Englishmen, consisting of 200 families, turning the colony, which was at Itape, into a cemetery. A German colony at Acegua was driven out. The pigue cause buboes and attacks the warmest part of the body, that is, the cavities and the groin and arm-pit—just the same spots as the Eastern plague. It attacks Englishmen and Germans preferentially, and avoids those that use but little soap. Soaps clean the body, and the pigue likes clean persons to eat. It also avoids people who eat more or less poisonous food. A man saturated with alcohols, Boca gin, nicotine and Passes de Julio cookery is pretty well safe from the sand-flea.
