London, Oct. 21.—Friday night's zep-pelin raid on England called forth ar-ticles in The Sunday Times and Sunday Observer today demanding no further delay on the part of the British Government in announcing the constitution of a new air ministry. The parliamentary correspondent of The Sunday Times says the political group which is keeping an eye on Winston Spencer Churchill, the minister of munitions, is convinced that he is manoeuvring for a transfer to the new air ministry so soon as parlia-mentary authority for the latter de-partment has been obtained. A good deal in this connection, he says, depends on whether General Smuts, minister of defence in the South African Union, and a delegate in London for the war cabinet, will be able to remain much donger in this country.

Meanwhile, adds the correspondent Mr. Churchill is drastically reorganizing the ministry of munitions. has dismissed two of the leading offictals, namely, S. F.
