PLAYS, PICTURES AND MUSIC

BOSTON NATIONAL.

In accord with his invariable policy of presenting the most famous operas, as well as decided novelties, Managing Director Max Baer, of the Boston National Grand Opera Company, has selected for the Toronto season Giorano's Andrea Chénier, the masterpiece of the famous composer of Madame Sans-Gêne and Siberia. Other offerings during the season of three days will be exceptionally brilliant. Tosca, the opera with which the engagement begins on Monday evening, is Puccini's most dramatic work.

"THE LODGER" THURSDAY, FRIDAY AND SATURDAY.

"The Lodger," a new season comedy success direct from London, in which the two celebrated young English stars, Lionel Atwill and Phyllis Repl, will make their debut here at the Alexandra Theatre, Nov. 30th, Dec. 1-2, is a comedy-parody on the statement may seem mainly because of having to do with a shocking scene of murder. "The Lodger" is the premier at the Haymarket, London, during the present season. It was an instantaneous hit, and still continues as one of the solid successes of the English season, being presented by two companies at the present time.

EDMUND BREESE IN "SCAPEGOATS."

Edmund Brees, acknowledged one of the most gifted of the younger American actors, will be the featured player in "Scapegoats," next week's attraction at the Grand Opera House. Mr. Brees has been prominently identified with big dramatic stage successes for nearly twenty years. In "Scapegoats," he is said to have the biggest part of his career.

JOHN MASON IN "COMMON CLAY."

Theatregoers of Toronto will be interested in the forthcoming production of "Common Clay," the sensational New York success, which comes to the Grand Opera House for an engagement of one week, beginning December 4th, with usual matinees Wednesday and Saturday.

LOEW'S

"The Palm Beach Beauties," will be the feature attraction in this coming week at Loew's Yonge St. Theatre. It is the last word in class and feminine beauty, with a cast of 11 people. Plenty of comedy will be furnished by the team of Burns and Kliesen. Ferguson and Sunderland will offer bits of musical comedy in a vaudeville way. Burke and Burke will offer "18 minutes in a laugh factory." Coscio and Verdi, two clever Italian musicians, will appear; also MacCrea, the wizard of radio. "The Unwelcome Mother," a five-act photo production, with Walter Law, will be shown.

HIPPODROME

For next week the Hippodrome management announce as the headline attraction, the spectacular eastern sensation "Hoyt's Dream of the Orient," headed by Madame Makarenko, and a cast of ten beautiful singing and dancing girls, Norma Talmadge, the delightful "Triangle" star, will be featured in the thronging drama of everyday life "Fifty-Fifty." In "The Coon Detective" Charles Stiller and his capable company present a novelty comedy sketch. La Belle and Williams, in a novelty whirl; Jim McWilliams, the "Dixie Honey Boy"; Nelsen, the premier Hawaiian guitar virtuoso; Billy River, and "Keystone" film comedies complete the bill.

SHEA'S.

Charles Dickson and his capable company will headline the bill at Shea's next week in the melodramatic farce "Looking Ahead." Ed Flanagan and Neely Edwards have a happy, snappy little comedy sketch, which they call "On and On." The Alexander Kids are headlined as the cleverest juveniles in vaudeville. Julius Tannen, is a clever comedian, who has an entirely new monologue. "Oklahoma," Bob Albright is reported to have a tenor voice of exceptional range. The five Flormonds, the Bolger Brothers and eleven other comedies complete the bill.

ever, express the opinion that this is only the first step taken toward carrying out the program which is dictated by present political necessities. According to the Rech, the resignation of M. Sturmer is the first occasion in the course of Russia's constitutional history which clearly establishes between the government and the majority the voice of the people.

First Object Achieved. "The Douma," says the Rech, "has accomplished its first object, but it does not necessarily follow that the rest of the program will be executed. The changes in the cabinet desired by the majority of the Douma have not been fully carried out; only the chief figures have been put aside. Further changes must follow, the most important of which is the dismissal of the minister of the interior, and the appointment of a proper person as foreign minister."

Other newspapers, in expressing the same views, also in modified form, say that the conflict has not yet been ended and that considerable differences still exist between what has been accomplished and what is desired.

To Adjust Differences. The Douma suspending the Douma until Dec. 2 is considered to have been done to the necessity of the new prime minister forming a new program and to the advisability of giving opportunity for conferences between the government and Douma leaders in order that a full understanding may be reached before the next meeting of the Douma.

M. Troppoff belongs to the Conservative group. He has held prominent court positions and assisted in conferences under imperial direction to consider changes in the Douma and the imperial council in 1905. In 1914 he was made a member of the imperial council. Since 1915 M. Troppoff has been minister of ways and communications. Recently he was appointed secretary of state to the emperor.

"GIRLS FROM THE FOLLIES."

The Star Theatre offers as its next week's attraction, the heavily advertised and much heralded "Girls from the Follies," with an all star cast and elaborate production. The costume, stage settings and light effects are beautiful and enchanting, and the musical farce itself is one grand whirl of sparkling comedy and intoxicating music. An American Beauty chorus will be a revelation to the eye. Matinees will be given daily.

THE NEW LIBERTY GIRLS.
